

Plot Marker Suggestion:

Craft Stick

3 x 5 card

Fold in middle

Two pieces of tape or one long one to go all the way around the bottom.

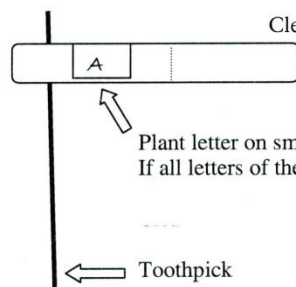

1. Fold
2. Place over end of craft stick
3. Tape across bottom

Even easier alternative :

Write group number on the end of the craft stick

Suggestion for plant markers:

Clear Tape: fold in half over letter.

Plant letter on small piece of paper labeled with letters from the alphabet. If all letters of the alphabet are used, then A1, B1, C1....
