

Group Number	Number of Species in Privet Plot 2	Number of Species in Middle Plot 2	Number of Species in Non-Privet Plot 2

Group Number	Total Number of Plants in Privet Plot 2	Total Number of Plants in Middle Plot 2	Total Number of Plants in Non-Privet Plot 2

On a sheet of graph paper, or using computer software, make a graph that represents the different amounts of species for each plot. Compare your group's results with the rest of the class.
