

**Cedar Creek and Belle Grove National Historical  
Park, Virginia**

**Data Review and Synthesis of Natural Resources  
Information**

Final Report

By: Lindsey D. Donaldson

Center for Watershed Stewardship

The Pennsylvania State University

May, 2005

## Table of Contents

	Page
Figures .....	v
Tables .....	ix
Appendices .....	xi
Introduction .....	1
Geology .....	7
Description .....	7
Recommendations .....	9
Soil .....	17
Description .....	17
Highly Erodible Land .....	17
Prime Farmland .....	17
Hydric Soil .....	18
Recommendations .....	18
Water .....	21
Description .....	21
Scenic Rivers .....	22
Impaired Waters .....	22
Water Quantity .....	23
Recommendations .....	24

Table of Contents (continued)

	Page
Wetlands .....	37
Description .....	37
Recommendations .....	38
Vegetation .....	45
Description .....	45
Pest Threats .....	46
Forest Fire Risk .....	46
Recommendations .....	46
Wildlife .....	51
Description .....	51
Recommendations .....	52
Air Quality .....	59
Description .....	59
Recommendations .....	60
Viewsheds .....	61
Description .....	61
Recommendations .....	62
Lightscape .....	67
Description .....	67
Recommendations .....	67

Table of Contents (continued)

	Page
Soundscape .....	69
Description .....	69
Recommendations .....	69
Literature Cited .....	71

## Figures

	Page
Figure 1. Location map for the Cedar Creek and Belle Grove National Historical Park (CEBE).....	2
Figure 2. Topographic map of the Cedar Creek and Belle Grove National Historical Park (CEBE) – northern section. Data provided by Topozone <a href="http://www.topozone.com">www.topozone.com</a> 1994, 1999 .....	3
Figure 3. Topographic map of the Cedar Creek and Belle Grove National Historical Park (CEBE) – middle section. Data provided by Topozone <a href="http://www.topozone.com">www.topozone.com</a> 1994, 1999 .....	4
Figure 4. Topographic map of the Cedar Creek and Belle Grove National Historical Park (CEBE) – southern section. Data provided by Topozone <a href="http://www.topozone.com">www.topozone.com</a> 1994, 1999 .....	5
Figure 5. Physiographic map of Virginia. Provided by the College of William and Mary, 1999 .....	10
Figure 6. Cross-section of Virginia’s geologic provinces. Provided by the College of William and Mary, 1998 .....	11
Figure 7. Paleozoic and Mesozoic geologic time chart. Provided by the College of William and Mary, 1999 .....	12
Figure 8. Geologic events in the northern and central Virginia Valley and Ridge province. Provided by the College of William and Mary, 1999 .....	13
Figure 9. Geologic map of Virginia. Provided by the College of William and Mary, 1999 .....	14
Figure 10. Panther Cave along Cedar Creek. Provided by Rick Foster and the Winchester Star, 2004 .....	15
Figure 11. Erodibility of soils within the Cedar Creek and Belle Grove National Historical Park (CEBE). Data provided by NRCS 2004 .....	19
Figure 12. Prime Farmland classifications within the Cedar Creek and Belle Grove National Historical Park (CEBE). Data provided by NRCS 2004 .....	20

Figures (continued)

	Page
Figure 13. Streams located in the Cedar Creek and Belle Grove National Historical Park (CEBE) and their types (artificial path, intermittent, perennial). Data provided by USGS 1999 .....	25
Figure 14. Hydrologic unit codes (HUC) of watersheds surrounding the Cedar Creek and Belle Grove National Historical Park (CEBE). Data provided by Steeves and USGS 1994 .....	26
Figure 15. The Chesapeake Bay Watershed. Provided by the Chesapeake Bay Program <a href="http://www.chesapeakebay.net/maps.htm">http://www.chesapeakebay.net/maps.htm</a> .....	27
Figure 16. Impaired waters (303(d)) surrounding the Cedar Creek and Belle Grove National Historical Park (CEBE). Data provided by the Virginia Department of Environmental Quality 2004 .....	28
Figure 17. Location of the Cedar Creek USGS gaging station near Winchester, Virginia. Provided by USGS <a href="http://va.water.usgs.gov/">http://va.water.usgs.gov/</a> 2004 .....	29
Figure 18. Daily mean streamflow between January 1, 2000 and January 1, 2004 for Cedar Creek at the USGS gaging station near Winchester, Virginia. Provided by USGS <a href="http://va.water.usgs.gov/">http://va.water.usgs.gov/</a> 2004 .....	30
Figure 19. Location of the Cedar Creek USGS gaging station near Middletown, Virginia. Provided by USGS <a href="http://va.water.usgs.gov/">http://va.water.usgs.gov/</a> 2004 .....	31
Figure 20. Daily mean streamflow between November 15, 2000 and September 3, 2003 for Cedar Creek at the USGS gaging station near Middletown, Virginia. Provided by USGS <a href="http://va.water.usgs.gov/">http://va.water.usgs.gov/</a> 2004 .....	32
Figure 21. North Fork of the Shenandoah River USGS gaging station near Strasburg, Virginia. Provided by USGS <a href="http://va.water.usgs.gov/">http://va.water.usgs.gov/</a> 2004 .....	33
Figure 22. Daily mean streamflow between January 1, 2000 and January 1, 2004 for the North Fork of the Shenandoah River at the USGS gaging station near Strasburg, Virginia. Provided by USGS <a href="http://va.water.usgs.gov/">http://va.water.usgs.gov/</a> 2004 .....	34

Figures (continued)

	Page
Figure 23. Wetlands of the Cedar Creek and Belle Grove National Historical Park (CEBE) and their associated acreages and codes (northern section). Wetland codes are defined within text. Data provided by the United States Fish and Wildlife Service 2004 .....	39
Figure 24. Wetlands of the Cedar Creek and Belle Grove National Historical Park (CEBE) and their associated acreages and codes (middle section). Wetland codes are defined within text. Data provided by the United States Fish and Wildlife Service 2004 .....	40
Figure 25. Wetlands of the Cedar Creek and Belle Grove National Historical Park (CEBE) and their associated acreages and codes (southern section). Wetland codes are defined within text. Data provided by the United States Fish and Wildlife Service 2004 .....	41
Figure 26. Forest cover within and surrounding the Cedar Creek and Belle Grove National Historical Park (CEBE). Map data provided by the Virginia Department of Forestry 2002 .....	48
Figure 27. Forest fire risk within and surrounding the Cedar Creek and Belle Grove National Historical Park (CEBE). Map data provided by the Virginia Department of Forestry 2003 .....	49
Figure 28. Migratory paths of three northern pintails during 2004, with known radio-telemetry locations. Provided by the Virginia Department of Game and Inland Fisheries <a href="http://www.dgif.state.va.us/wildlife/pintailtrax/all.pdf">http://www.dgif.state.va.us/wildlife/pintailtrax/all.pdf</a> 2004 .....	53
Figure 29. Migratory path for tundra swan number 888 during 2003, with known radio-telemetry locations. Provided by the Virginia Department of Game and Inland Fisheries <a href="http://www.dgif.state.va.us/wildlife/swan/track.html">http://www.dgif.state.va.us/wildlife/swan/track.html</a> 2004 .....	54
Figure 30. Migratory path for tundra swan number 893 during 2003, with known radio-telemetry locations. Provided by the Virginia Department of Game and Inland Fisheries <a href="http://www.dgif.state.va.us/wildlife/swan/track.html">http://www.dgif.state.va.us/wildlife/swan/track.html</a> 2004 .....	55

Figures (continued)

	Page
Figure 31. Migratory path for tundra swan number 894 during 2003, with known radio-telemetry locations. Provided by the Virginia Department of Game and Inland Fisheries <a href="http://www.dgif.state.va.us/wildlife/swan/track.html">http://www.dgif.state.va.us/wildlife/swan/track.html</a> 2004 .....	56
Figure 32. Wild trout streams, stocked trout waters, and special regulation waters in northern Virginia. Provided by the Virginia Department of Game and Inland Fisheries <a href="http://www.dgif.virginia.gov/fishing/TroutGuide/area_map_1.pdf">http://www.dgif.virginia.gov/fishing/TroutGuide/area_map_1.pdf</a> 2004 .....	57
Figure 33. Limestone quarries located outside of the Cedar Creek and Belle Grove National Historical Park (CEBE). Aerial photograph provided by the Virginia Economic Development Partnership 2000 .....	63
Figure 34. Major roads in the Cedar Creek and Belle Grove National Historical Park (CEBE). Data provided by the Virginia Department of Transportation 2001.....	64
Figure 35. Railroad located within the Cedar Creek and Belle Grove National Historical Park (CEBE). Aerial photograph provided by the Virginia Economic Development Partnership 2000 .....	65

## Tables

	Page
Table 1. Stream lengths within the Cedar Creek and Belle Grove National Historical Park (CEBE). Calculated using the National Hydrography Dataset (1999) in ArcMap 8.3 .....	35
Table 2. Wetland acreages in the Cedar Creek and Belle Grove National Historical Park (CEBE). Data provided by the U.S. Fish and Wildlife Service National Wetlands Inventory 2004 .....	42

## Appendices

	Page
Appendix 1. Contacts during the preparation of the the Cedar Creek and Belle Grove National Historical Park (CEBE) Data Review and Synthesis of Natural Resources Information .....	75
Appendix 2. Bibliography of acquired documentation and digital data sets utilized in the creation of the Cedar Creek and Belle Grove National Historical Park (CEBE) Data Review and Synthesis of Natural Resources Information .....	77
Appendix 3. Definitions of geologic terms .....	81
Appendix 4. U.S. EPA and Virginia defined categories of impairment and the definition of “Aquatic Life Use” .....	85
Appendix 5. Mean of daily mean streamflow statistics for the Cedar Creek USGS gaging station near Winchester, Virginia. Provided by USGS <a href="http://va.water.usgs.gov/">http://va.water.usgs.gov/</a> 2004 .....	87
Appendix 6. Mean of daily mean streamflow statistics for the Cedar Creek USGS gaging station near Middletown, Virginia. Provided by USGS <a href="http://va.water.usgs.gov/">http://va.water.usgs.gov/</a> 2004 .....	89
Appendix 7. Mean of daily mean streamflow statistics for the North Fork of the Shenandoah River USGS gaging station near Strasburg, Virginia. Provided by USGS <a href="http://va.water.usgs.gov/">http://va.water.usgs.gov/</a> 2004 .....	91
Appendix 8. Forest trees most common in the Cedar Creek and Belle Grove National Historical Park (CEBE) area. Provided by Gerald Crowell, Virginia Department of Forestry .....	93
Appendix 9. Invasive and alien plant species of Virginia. Provided by the Department of Conservation and Recreation .....	95
Appendix 10. Appendix 10. Native plant species of Virginia. Provided by the Virginia Department of Conservation and Recreation, Natural Heritage. Letter codes are defined at the end of the Appendix .....	99
Appendix 11. Species listed by the Virginia Natural Heritage as being significant, endangered, or threatened within two miles of the Cedar Creek and Belle Grove National Historical Park (CEBE) .....	125

Appendices (continued)

	Page
Appendix 12. Species listed by the U.S. Fish and Wildlife Service as being significant, endangered, or threatened for Shenandoah, Warren, and Frederick Counties, Virginia .....	131
Appendix 13. Fact sheet provided by the U.S. Fish and Wildlife Service for the shale barren rock cress .....	137
Appendix 14. Fact sheet provided by the U.S. Fish and Wildlife Service for the northeastern bulrush .....	139
Appendix 15. Animal species known or likely to occur within a three-mile radius of latitude/longitude coordinates 734366/4321966. Provided by the Commonwealth of Virginia, Department of Game and Inland Fisheries Fish and Wildlife Information Service, Biota of Virginia (BOVA) database 2003 .....	141
Appendix 16. Fact sheet provided by the U.S. Fish and Wildlife Service for the bald eagle .....	159
Appendix 17. Fact sheet provided by the U.S. Fish and Wildlife Service for the Indiana bat .....	161
Appendix 18. Native fish currently known to exist in the watershed of the North Fork of the Shenandoah River (HUC 2070006). Provided by NatureServe 2004 .....	163
Appendix 19. National Ambient Air Quality Standards (NAAQS), published in 2003 by the Environmental Protection Agency (EPA) in connection with the Clean Air Act and 40 CFR, Part 50 .....	165
Appendix 20. Virginia Department of Environmental Quality Ambient Air monitoring sites in the Valley Monitoring Network 2003 .....	167
