

Respect Wildness... Practice the 7 Leave No Trace ethics

- ◆ **Plan ahead and prepare:** Plan your trip carefully. Prepare for extreme weather, hazards and emergencies. Plan for the least experienced member of your party.
- ◆ **Travel and camp on durable surfaces:** Hike single file in the middle of the trail or side by side in areas without trails. Camp in hardened areas only, not in meadows or on vegetation.
- ◆ **Dispose of waste properly:** Pick up all spilled foods and trash. Disperse washing and cooking wastewater 70 adult steps (200') from camps and all water sources. Leave no evidence of your stay.
- ◆ **Leave what you find:** Leave plants, rocks, antlers and artifacts as you find them for others to enjoy.
- ◆ **Minimize campfire impacts:** Fires permitted only in attended fire ring. Use only dead and down wood.
- ◆ **Respect Wildlife:** Use carry-in/carry-out bear resistant food storage canister May 1st through October 31st. Minimize noise. Avoid lakes and streams at dawn and dusk.
- ◆ **Be considerate of other visitors:** Respect the quality of every visitor's experience.
