National Public Lands Day ([www.npld.com](http://www.npld.com)) is the nation's largest hands-on volunteer effort to improve and enhance the public lands Americans enjoy.

Volunteers can choose from a variety of activities to help improve and enhance the park: installation of new post and rail fence, trail repair, brush clearance, and other general landscape maintenance. Dress appropriately. Bring gloves, a hat, and sunscreen. Water and snacks will be provided.

For more information, call National Park Service Volunteer Manager Mike Malone at 805-370-2317.

Note: For safety reasons, some work may not be appropriate for children age 12 and under.
