## Program Descriptions

**Campfire Program:** Join a ranger at the Sunset Amphitheater for a 1-hour talk or slide show about the people, places and things that make Kings Canyon so special.

**Exploring the Night Sky:** This 1½ hour program explores our historical and cultural understanding of the night sky from ancient times through the 21<sup>st</sup> century. Meet in front of the visitor center to caravan up to Panoramic Point. 2½ mile drive, ½ mile walk. RESERVATIONS ARE REQUIRED and space is limited.

**Grant Tree Walk:** Why have people been coming to see the giant sequoias for over 100 years? Join a ranger for an easy walk through the Grant Grove to learn about the big trees. Meet in the Grant Tree parking lot. 1 hour, 3/8 mile.

**Little-known Giants:** Leave the bustle and crowds behind and experience the serenity of the big trees on this walk along one of Grant Grove's less-visited trails. Meet in the Grant Tree parking lot. 2 hours; 1 ½ miles. Bring water.

**The Mighty Bighorn:** Sierra bighorn sheep live on the edge in more ways than one. Learn about the life of these endangered inhabitants of Kings Canyon and the on-going efforts to increase their numbers. This ½-hour talk meets in front of the visitor center.

**Owls - Masters of the Night:** Wherever you go in Sequoia and Kings Canyon, from the foothills to the red fir forest, you are probably in the home of at least one species of owl. Meet in front of the visitor center for a ½-hour talk to learn why we have so many owls and why they are so successful.
