\* 4:00 PM Ranger's Choice:  
*Migration!*

### Monday, September 15

2:00 PM Grant Tree Walk

\* Accessible program

## Program Descriptions

**Bear Facts:** What happens when rangers catch a bear in the campground after it has gotten food from people? Meet in front of the visitor center to spend ½ an hour helping a ranger with the simulated examination.

**Campfire Program:** Join a ranger at the Sunset Amphitheater for a 1-hour talk or slide show about the people, places and things that make Kings Canyon so special.

**Grant Tree Walk:** Why have people been coming to see the giant sequoias for over 100 years? Join a ranger for an easy walk through the Grant Grove to learn about the big trees. Meet in the Grant Tree parking lot. 1 hour, 3/8 mile.

**Little-known Giants:** For those who have time for a longer walk with a ranger, we invite you to leave the bustle and crowds behind and experience the serenity of the big trees on this walk along one of Grant Grove's less-visited trails. Moderate. 2 hours; 1 ½ miles. Bring water.

**Migration!:** What would it be like to be a migrating bird? How would you find your way? Could you get enough food? To find out, join a ranger in front of the visitor center for ½ an hour of games and activities.

**Redwood Canyon Hike:** See the place where many of the scientific discoveries occurred that changed our understanding of giant sequoias and what they need to grow. Meet in front of the visitor center to car pool to the trailhead. 3 hours, 4 mile hike. Wear sturdy shoes and bring water.

**Tree ID:** There's more to this forest than just Giant Sequoias. By the end of this ½-hour program, you will be an expert in the identification of half a dozen Sierran trees. Meet in front of the Kings Canyon Visitor Center. Up to ¼ mile walk.
