Instructions

- 1) An approved vendor is someone who agrees to assist Sleeping Bear Dunes National Lakeshore in its efforts to slow the spread of invasive insects and disease by selling only specific types of firewood approved by the National Park Service.
- 2) To become an approved firewood vendor for Sleeping Bear Dunes National Lakeshore, complete application form and return the signed form to the address below.

Sleeping Bear Dunes National Lakeshore Attn: Firewood Approval 9922 Front Street Empire, MI 49630

- 3) Be sure to fill in both the business name and the contact person on your application. This information is important as we will be placing your information on our website as an approved vendor.
- 4) Vendors are required to mark their firewood by spraying both ends of the firewood with black mulch colorant to differentiate their wood from non-approved vendor wood. The mulch colorant is available at all major hardware stores. Instructions for use are on the packaging.
- 5) Please contact Biological Technician Noel Mac Neil at 231-334-7685 x 227 or email at Noel_Mac_Neil@nps.gov for any questions.
