And I, George R Doggett do solemnly swear, that I will bear true faith and allegiance to the United States of America, and that I will serve them honestly and faithfully against all their enemies or opposers whomsoever; and that I will observe and obey the orders of the President of the United States, and the orders of the officers appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at Indianapolis Ind this 11th day of Dec 1863 BEFORE Lt James [illegible] 39 Ind

George R Doggett

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

J.B. Newcomer,

EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, George R Doggett previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has blue eyes, brown hair, light complexion, is 5 feet 1 inches high.

Declaration of Recruit

[written along left margin: NOTE 1. – This blank will be used for both enlistments and re-enlistments – enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases – one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back. NOTE 2 - An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pensions, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.]
