

# 2nd Annual First Coast Air Potato Round-up

**Come Join in the Fun and Help Preserve Our Conservation Lands**

We need the help of *all* NEFL residents to preserve our natural communities. Volunteers are needed to come help clean our parks and preserves from Air Potato vine (*Dioscorea bulbifera*) and other non-native invasive plants that overtake our natural areas.

**When:** March 1, 2008

**Time:** 9 a.m. to noon

**Where:** Volunteers can choose from one of the seven work sites or you can participate by removing invasive plants from your own yard!

No registration necessary unless you are bringing a large group and prizes will be given for the largest potato collected!

Visit [www.nature.org/floridainvasive](http://www.nature.org/floridainvasive) or call 904-598-0004 for more information.
