

SOME PARK FACILITIES RE-OPENED AFTER FLOODING

Date

July 01, 2006

Contact

Mike Caldwell, 610-783-1037

Several areas of Valley Forge park were temporarily closed after the flooding on June 28 and 29. Some have been re-opened.

The Betzwood area of Valley Forge was re-opened today. The boat ramp, however, is still closed due to muddy conditions. Pawlings Road Lot and Walnut Hill are also opened. The Walnut Hill cul-de-sac is closed due to a downed tree.
