

# Voyageurs National Park Environmental Education Program 2010/2011 Travel Grant Application

Voyageurs National Park Environmental Education program will award Travel Grants each school year. Travel Grants will be awarded based on financial need and on a first-come, first-served basis until funds have been depleted for the year's grant cycle. 2010/2011 funds have been made possible through a generous donation by the Donald Weesner Foundation with the help of Voyageurs National Park Association.

In order to be eligible for a grant, schools/groups must be scheduled for one of our curriculum-based programs. Travel Grants are to help cover transportation costs only.
