## Weir Farm Artist-in-Residence Reception

## Meet Layla Luna

## Monday, April 21 • 6 - 7:30 pm

## Wilton Library

April brings Layla Luna to the Weir
Farm Artist-in-Residence
program. Ms. Luna makes drawings
and paintings that explore our
relationship with nature. While at Weir

Farm, she will continue to work on her current project, The Specimen Experiment, which addresses habitat conservation and the direct impact we have on nature. Weir Farm's Artist-in-Residence program (AIR) selects twelve artists to live and work at Weir Farm each year. To date, more than 175 artists from throughout the U.S., as well as Tunisia, Germany, Australia, India and the Netherlands have participated in the AIR program. Visual artists apply for one month residencies in all media and diverse artistic points of view from traditional to experimental.

Co-sponsored by Weir Farm Art Center and Weir Farm National Historic Site and presented by Wilton Library. No charge. Registration is suggested.
