

Esker Stream Cabin

Location: Refer to USGS maps: Yakutat 1:63,360 (D-5)

Reservations: Required with a user fee of \$25 per night. Call the Yakutat Ranger Station at (907) 784-3295. Reservations can be made six months in advance of your first night of stay. Payment can be made by credit card, money order or international money order. The maximum stay in the cabin is 7 days in a 30 day period without a permit. Upon payment, a special use permit will be issued to the trip leader, who must have the permit in possession during the entire stay.

Access: Cabin located in Yakutat, AK. Access to the cabin is accomplished by a wheeled plane beach landing. Planes generally land on the opposite side of Little Esker Stream from the cabin, and it is therefore recommended that you bring hip boots for the stream crossing. Because of harsh winter storms in the area, the cabin was constructed in a protected area away from the beach, approximately a quarter mile from where planes can land.

Description: Rustic cabin, sleeps four. Includes two standard twin-sized bunkbeds, oil stove, table with bench, pit toilet. The cabin contains an OIL stove. Kerosene or K1 commercial grade fuel is recommended, though commercial grade fuel can also be used. These fuels are available for purchase in Yakutat and air taxis will carry them to the site for you. Fuels are considered hazardous cargo and can not be flown into Yakutat via Alaska Airlines.

If you intend to hunt in the area and anticipate hanging meat in the event of a successful hunt, please bring tarps with you to protect the area beneath the meat. Take these tarps with you when you leave. Clean the cabin and take all food with you upon departure. Burying garbage is prohibited.

You must bring all personal belongings that you will require, including sleeping and dining equipment. Please leave cabins cleaner than when you arrived. Replenish any firewood stored in the cabins for the next user. Please do not remove or relocate any artifacts or deface these historic buildings.

Airstrip: none, beach landing. No FAA identifier.
