**YELLOWSTONE NATIONAL PARK ARCHIVES—INVENTORY FOR NATIONAL PARK SERVICE RECORDS,
DEVELOPMENT AND MAINTENANCE SERIES**

Contents List

***Note:** The contents of the boxes listed below are an inventory of our unprocessed holdings related to development and maintenance activities in Yellowstone National Park. Please consider looking for related materials on your topic throughout this series, as materials on each topic may not be stored together, or in other series within the National Park Service Records collection. For more information on where to look in this or other YNP Archives collections, please contact the Archives/Curatorial staff.*

Box D-1—Roads (construction, oiling, expenditures), 1923-1927

Box D-2—Roads, 1927-1929

Correspondence among Horace Albright, corporate entities, the Bureau of Public Roads, and construction companies. Discussions of road placements, planning, surfacing, complaints, bid specs, invitations, tabulations, road oiling and formulas, lists of men and equipment.

Box D-3—Roads, 1930-1931

Correspondence between park superintendent and various companies on road construction, bids, contracts, estimates, products, and equipment; between park and NPS Washington office on construction projects, allotments, and finances; between park divisions on status and supervision of projects and future construction plans.

Box D-4—Roads, 1929-1935

Correspondence between park divisions and others on road conditions outside the park, future construction plans, and local matters; between park and construction companies on specifications, contracts, and supervision; between park and NPS Washington office on official policies, Senate appropriations, and proposed projects.

Box D-5—Roads, 1924-1938

Correspondence between Horace Albright and J. D. Rockefeller, Jr. relating to roadside cleanup of brush and timber; between the park and Rockefeller on donations for cleanup projects. Monthly reports on roadside cleanup, roadwork, and expenditures; before and after photos of roadside work and cleanup.

Box D-6—Roads, 1928-1930

Monthly narrative reports on roadbuilding projects including physical status of roads, allocation of funds, and upgrading of roadways; crew by crew descriptions of projects and work in progress; photos of planned works, works in progress, and proposed alterations; maps of work being done and yet to be done; schedules for projects; spring reconstructions and fall final reports.

Box D-7—Roads, 1931-1935

Monthly narrative reports on roadbuilding projects including physical status of road, allocation of funds, upgrading of highways, crew by crew descriptions of projects and work in progress; photos of work; maps of work being done; schedules of projects, assessments of contracts, spring snow plowing, and fall final reports.

Box D-8—Roads, 1918-1970

Correspondence between Albright and Gallatin County Commission on West Gallatin approach road; between Roger Toll and NPS on maintenance and funding of approach roads; internal reports on routine maintenance of road structures, bridges, bituminous road surfacing, roadslides, flooding damage. Photos and maps of work in progress, time sheets, and engineer reports.

Box D-9—Roads, 1931-1971

Reports on betterment of Grand Loop Road; plans and correspondence relating to obliteration of old roads; bituminous surfacing of West Thumb development area; final reports on construction of parking areas, Grand Loop Road construction, and parking areas; surveys for relocation of portions of Grand Loop Road.

Box D-10—Roads, 1930-1937

Road reports and correspondence concerning roads from Canyon Junction to Norris Junction, Norris to Canyon, Obsidian Cliff to Firehole Cascades, Canyon to Tower, and Tower to Cooke Station; cleanup reports, slide reports, engineering surveys, grading, surfacing, drainage, bridge removal, and contracts, photos, maps.

Box D-11—Roads, 1931-1943

Reports of road oiling and surface maintenance, preliminary surveys and reconnaissance reports; location survey reports; loop improvement. Bureau of Public Roads activities; correspondence between bureaus; bituminous surfacing; bridge surveys; cost data, photos, maps.

Box D-12—Roads, 1922-1930

Report to Appropriations Committee on park road conditions; general road project reports, construction and reconstruction; schedules of work; preliminary reports for development of highway system; reconnaissance survey reports on existing and proposed routes; oil processing of road surfaces; cost data, equipment, correspondence, photos, maps.

Box D-13—Roads, 1936-1953

Construction under road budget program; proposed work; bid submittal requests and tabulations; instructions and memoranda to contractors; correspondence on traffic flow and control problems; road oiling, parking areas, grading and surfacing; final construction reports.

Box D-14—Roads, 1919-1936, 1953

Bid, contract and bonds for national park road construction for Grand Loop, South Entrance, East

Entrance roads, Moran-Yellowstone approach road, Tower-Cooke road, oiling, seal coating, bridge work, grading, surfacing, Chittenden Bridge contracts, special provisions, bid schedules, contracts, bonds.

Box D-15—Bridges, 1923-1952

Correspondence concerning bridges; survey of dates of construction, sizes, locations and construction; blueprints and plans for construction; correspondence relating to design, materials, details, sites; correspondence addressing specifications plans, standards, inspections, and repairs.

Box D-16--Roads and utilities, 1926-1935

Correspondence regarding applications for employment on roads, offers of employment, and refusals; letters announcing vacancies on roadwork within the park; radio engineering and telephone operator vacancies; telephone crews; electrical meters; correspondence concerning inspection of electrical work, telephone lines, installation of wires and costs of building telephone lines; power plants and equipment standardization.

Box D-17—Museums, 1928-1978

Correspondence and reports relating to Yellowstone's museums; reports on Old Faithful Museum and hatcheries at Lake; summaries and plans for exhibits; Fishing Bridge Museum, summaries of five park museums; Mammoth Museum rehabilitation; Canyon Visitor Center maps.

Box D-18--Master Plans, Wilderness Plans, 1936-1972

Box D-19--Roads and trails, 1974-1975

Box D-20--Mission 66

Box D-21—Mission 66

Box D-22--Master Plan studies, Mission 66

Box D-23--Master Plan studies, Mission 66

Box D-24--Master Plan studies, Mission 66

Box D-25—Buildings (ranger stations, patrol cabins, fire lookouts)

Box D-26--Buildings, 1922-1951

Box D-27—Buildings (quarters)

Box D-28--Buildings and systems at Mammoth

Box D-29--Campgrounds

Box D-30—Files from Chester Brown (Chairman, Yellowstone-Grand Teton Master Plan Study Team), Box 1, 1966-1969

Box D-31--Files from Chester Brown (Chairman, Yellowstone-Grand Teton Master Plan Study Team), Box 2, 1963-1971

Box D-32--Files from Chester Brown (Chairman, Yellowstone-Grand Teton Master Plan Study Team), Box 3, 1967-1970

Box D-33--Files from Chester Brown (Chairman, Yellowstone-Grand Teton Master Plan Study Team), Box 4, 1964-1969

Box D-34--Files from Chester Brown (Chairman, Yellowstone-Grand Teton Master Plan Study Team), Box 5, 1965-1970

Box D-35--Files from Chester Brown (Chairman, Yellowstone-Grand Teton Master Plan Study Team), Box 6, 1967-1971

Box D-36--Files from Chester Brown (Chairman, Yellowstone-Grand Teton Master Plan Study Team), Box 7, 1969-1970

Box D-37--Landscape Architects and Engineers, 1933-1938

Includes reports on CCC, Grand Teton, and Lewis and Clark Caverns.

Box D-38--Landscape Architects and Engineers, 1919-1939

Box D-39--Landscape Architects and Engineers, 1932-1954

Includes report on the Red Lodge-Cooke City Road.

Box D-40--Landscape Architects and Engineers, Red Lodge-Cooke City Road reports and correspondence, 1934-1960

Box D-41—Snow removal, 1926-1939

Box D-42—Snow removal, 1932-1968

Box D-43—Sanitation reports, 1921-1970

Box D-44—Sanitation reports, 1922-1926

Box D-45—Sanitation correspondence, 1929-1970

Box D-46—Water supply, telephone lines, reports and correspondence, 1916-1964

Box D-47—Maintenance reports, general, 1919-1969

Box D-48--Weekly and monthly maintenance reports, engineer reports, 1954-1971

Box D-49—Miscellaneous maintenance records, 1936-1968

Box D-50—Individual building data file, Buildings 1-141 (1949)

Box D-51—Individual building data file, Buildings 142-303

Box D-52—Individual building data file, Buildings 304-2283

Box D-53—Individual building data file, Buildings 2284-5508

Box D-54—Individual building data file, Buildings 5601-6402

Box D-55--Buildings, construction, utilities, 1970-1971

Box D-56--Master Plans, construction, 1971

Box D-57—Construction, 1971

Box D-58--Roads, buildings, services, utilities, 1971

Box D-59--Services, utilities, exhibits, 1971

Box D-60—Patrol cabin survey, 1990-1993

Box D-61--Maintenance Monthly Reports (1963-1966), patrol cabin survey (1983, 1996)

Box D-62--Adaptive Restoration of Building No. 1 (Mammoth Visitor Center), 1978; Canyon Hotel cistern, 1994-1995; Norris Ranger Station and Road Camp, 1995

Box D-63--Buildings, services, utilities, 1983

Box D-64--Roads, trails, buildings, services, utilities, 1982

Box D-65--Road construction reports (1960-1970), Canyon Hotel (1958)

Box D-66--Buildings, construction, 1930-1977

Box D-67--Master plans, 1964, construction 1931-1969

Box D-68--Buildings, structures, 1956-1964

Box D-69—Roads, construction, 1918-1981

Box D-70—Construction, Master Plan, utilities, 1957-1973

Box D-71—Services, utilities, trails, roads, buildings, 1960-1978

Box D-72—Signs, roads, trails, wayside exhibits, 1933-1997

Box D-73—Utilities, radio system, roadside vegetation, trails, roads, 1958-1980

Box D-74—Radio system, 1957-1967

Box D-75--Master Plan, trails, structures, utilities, 1963-1977

Box D-76—Signs, housing, roads, 1921-1995

Box D-77—Signs, radio system, dam proposals, rivers, roads, traffic surveys, 1922-1947

Box D-78—Roads, trails, utilities, demolition (Old Canyon Lodge, Canyon Hotel), general maintenance, 1922-1987

Box D-79—Construction and preservation programs, roads, trails, signs, museums, buildings, utilities, exhibits, 1977-1984

Box D-80—Museums, exhibits, Grant Village development, 1965-1991

Box D-81--Utilities, 1984

Box D-82—Museums, exhibits, roads, 1932-1968

Box D-83—Roads, 1932-1953

Box D-84—Building fire reports and inspections, 1937-1953

Box D-85—Roads, trails, buildings, construction, museums, utilities, 1939-1979

Box D-86—Construction contracts (Madison water and sewer system, Norris water system, Mammoth incinerator), 1960-1963

Box D-87—Construction and maintenance contracts (buildings at Mammoth, Norris campground water supply, landscaping at Fishing Bridge and Grant Village, slide stabilization at North Entrance, multi-use building at Bridge Bay), 1960-1965

Box D-88---Roads, electricity, construction, 1954-1962

Box D-89--Construction, utilities, 1957-1965

Box D-90—Construction (employee housing, comfort stations), 1961-1966

Box D-91—Construction (employee housing, elementary school), 1962-1965

Box D-92—Construction (Canyon campground roads, parking areas and walks at Canyon cabin area, water and sewer systems at Fishing Bridge campground), 1954-1960

Box D-93—Construction (roads, retaining walls, water and sewer systems), 1956-1961

Box D-94—Construction (Grant Village, Bridge Bay), 1960-1962

Box D-95—Construction (Lake Hospital utilities, Bridge Bay roads and parking areas, Fishing Bridge trailer court), 1961-1964

Box D-96—Construction (roads, buildings at Madison and Grant Village), 1958-1964

Box D-97—Construction, landscaping, utilities, 1958-1965

Box D-98--Utilities, construction, landscaping, 1951-1965

Box D-99—Construction (Grant Village, employee housing at Mammoth), 1957-1961

Box D-100--Roads, trails, construction, snow surveys, 1954-1961

Box D-101--Electricity, 1958-1964

Box D-102—Electricity, 1959-1961

Box D-103--Quarters, museums, exhibits, 1962-1964

Box D-104—Construction and maintenance contracts, 1958-1965

Box D-105—Construction contracts, 1959-1965

Box D-106—Construction contracts, museums, exhibits, 1956-1965

Box D-107—Construction, landscaping, utility contracts, 1958-1965

Box D-108—Construction contracts, 1958-1963

Box D-109--Roads, trails, bridges, water, 1926-1954

Box D-110--Utilities, stream pollution (McLaren Mine-Soda Butte Creek), 1940-1953

Box D-111—Utilities, stream gauging, water, 1934-1953

Box D-112—Construction and maintenance contracts, 1958-1960

Box D-113—Construction contracts, 1959-1965

Box D-114--Construction contracts, 1958-1965

Box D-115--Master Plan, construction, 1957-1959

Box D-116--Roads, trails, bridges, construction, 1957-1959

Box D-117--Roads, trails, snow removal, snow surveys, 1954-1958

Box D-118--Roads, construction, utilities, 1959-1963

Box D-119—Construction contracts, 1958-1964

Box D-120--Roads, construction, snow removal, Master Plan, 1956-1964

Box D-121--Utilities, construction, 1955-1960

Box D-122--Utilities, sanitation, museums, buildings, 1957-1961

Box D-123--Utilities, sanitation, 1957-1964

Box D-124—Utilities, 1957-1964

Box D-125--Roads, construction, Master Plan, labor, 1965

Box D-126--Roads, trails, buildings, construction, 1961-1965

Box D-127--Buildings, structures, 1938-1953

Box D-128--Buildings, structures, roads, 1936-1953

Box D-129—Construction contracts, 1957-1963

Box D-130—Construction contracts, 1956-1961

Box D-131—Construction contracts, 1956-1963

Box D-132--Utilities, construction, repairs, 1957-1965

Box D-133--Master Plan, construction, roads, 1966

Box D-134--Construction, roads, buildings, sanitation, 1943-1978

Box D-135--Inventory and appraisal of telephone plant, 1956

Box D-136--Inventory and appraisal of telephone plant, 1956

Box D-137--Inventory and appraisal of telephone plant (1956), application for power line from Mammoth to Cooke City (1936)

Box D-138--Services and utilities, 1972-1975

Box D-139--Utilities, museums, planning, 1963-1975

Box D-140--Planning, Master Plan, 1962-1964

Box D-141—Construction, 1962-1964

Box D-142—Utilities, 1948-1956

Box D-143--Utilities, public health, Master Plan, 1930-1970

Box D-144--Master Plan (1958), construction (1969)

Box D-145--Buildings, structures, utilities, 1958-1966

Box D-146--Utilities, sanitation, construction contracts, museums, 1958-1966

Box D-147—Construction contracts, 1958-1963

Box D-148—Construction contracts, 1958-1964

Box D-149—Construction contracts, 1956-1964

Box D-150—Construction contracts, 1952-1961

Box D-151--Utilities, signs, 1953-1957

Box D-152--Utilities, maintenance reports, 1953-1959

Box D-153--Utilities, sanitation, museums, 1940-1956

Box D-154—Grant Village sewage treatment plant (1960), hearings on proposed motorboat restrictions on Yellowstone Lake, (1960)

Box D-155—Construction contracts, 1957-1963

Box D-156--Roads, buildings, structures, construction, utilities 1936-1963

Box D-157--Buildings, structures, landscaping, Public Works Administration projects, 1940-1953

Box D-158--Buildings, garbage disposal, 1957-1965

Box D-159--Buildings, structures, utilities, 1958-1967

Box D-160--Buildings, structures, grounds, 1967-1969

Box D-161--Construction, buildings, roads, trails, 1972-1975

Box D-162--Buildings, structures, construction, utilities, 1968-1975

Box D-163--Construction, roads, trails, 1968

Box D-164--Roads, trails, utilities, buildings, structures, 1966-1968

Box D-165--Construction, utilities, Master Plan, 1967-1968

Box D-166--Construction, roads, trails, 1967

Box D-167--Construction, buildings, grounds, roads, structures, utilities, 1976-1977

Box D-168--Roads, trails, structures, utilities, 1969

Box D-169--Utilities, museums, 1965-1969

Box D-170--Roads, trails, bridges, 1959-1964

Box D-171--Roads, trails, 1959-1963

Box D-172—Roads, 1953-1964

Box D-173--Buildings, housing, roads, winter travel, 1957-1965

Box D-174—Buildings (visitor centers, Lake Hospital, supply center, housing, comfort stations), 1957-1964

Box D-175--Utilities, sanitation, museums, exhibits, 1967

Box D-176—Construction contracts (Canyon water and sewer systems, Lake Hospital)

Box D-177—Buildings, utilities, grounds, museums

Box D-178—Construction contracts (Lake Hospital, Grant Village water and sewer systems)

Box D-179--Planning, construction, roads, repairs, 1980

Box D-180--Buildings, structures, utilities, construction, exhibits, 1954-1957

Box D-181--Sanitation, roads, snow removal, 1923-1957

Box D-182—Roads, construction, Yellowstone Lake level readings, fire plans, radio broadcasts, 1918-1973

Box D-183—Narrative road reports, 1930s-1950s

Box D-184—Grand Loop Road contracts and proposals, 1940s

Box D-185—Construction (water systems, Bridge Bay boat docks, Arnica Creek to Bridge Bay road surfacing), 1956-1965

Box D-186—Construction contracts (Madison amphitheatre, chapel repairs, road projects), 1956-1962

Box D-187--Construction, utilities, buildings, museums, 1959-1991

Box D-188—Roads, trails, services, utilities, buildings, construction, 1977-1981

Box D-189—Historic structures reports (including Norris Soldier Station), roads, trails, 1960-1973

Box D-190—Post offices, campgrounds, roads, general maintenance, 1972-1990

Box D-191—Utilities, environmental health facilities, museums, archives, exhibits, 1968-1975

Box D-192--Roads, trails, physical facilities, 1985-1987

Box D-193--Buildings, campgrounds, structures, 1985-1987

Box D-194--Roads, trails, electricity, 1985-1987

Box D-195--Services and utilities, 1985-1987

Box D-196--Roads and trails, 1987

Box D-197--Services, utilities, museum and exhibit activities, 1985-1987

Box D-198-- Museum and exhibit activities, archives, energy conservation, utilities, planning, 1972-1975

Box D-199—Construction programs, trails, roads, bridges, signs, utilities, 1959-1978

Box D-200--Final Environmental Impact Statement, Development Concept Plan, Fishing Bridge Developed Area (1988); summary of building fire reports (1940-1961)

Box D-201--Photographs for Back Country Development Inventory, 1969

Box D-202—USGS reconnaissance of construction sites (geologic problems, Gardiner – Mammoth road, etc.), 1959-1971; services and utilities, Mount Washburn lookout, Bridge Bay development

Box D-203—Mammoth museum prospectus, Fort Yellowstone Historic District interpretive prospectus, Canyon Visitor Center, Old Faithful Visitor Center, 1960s-1980s

Box D-204—Surveyor's and engineer's field books from various projects (Lake utilities, employee housing, Tower utilities), 1965-1981

Box D-205--Surveyor's and engineer's field books from various projects at Grant Village and West Thumb, 1968-1996

Box D-206—Surveyor's and engineer's field books for various projects (Grant Village utilities, Norris water system, Old Faithful water projects), 1962-1984

Box D-207--Surveyor's and engineers field books for various projects (Old Faithful water projects, Canyon water systems), 1967-1984

Box D-208--Surveyor's and engineer's field books for various projects (Canyon water projects, Gardiner water intake, Mammoth domestic water system) , 1972-1983

Box D-209--Surveyor's and engineer's field books for various projects (Mammoth and Gardiner water and sewer systems, Albright Visitor Center renovation), 1969-1981

Box D-210-- Surveyor's and engineer's field books for various projects (West Entrance utilities, Madison water projects, Lake Post Office, Grant Village projects, Old Faithful Visitor Center), 1963-1981

Box D-211—Surveyor's and engineer's field books for various projects (Old Faithful water projects, Canyon water treatment plant, road projects), 1966-1981

Box D-212—Project status reports (1991), signs and wayside exhibits (1970s), Yellowstone Heritage and Research Center, 50% Submittal, Project Manual (2002)

Box D-213—Project status reports (1992), Satellite Dish Working Group report, 1997

Box D-214--Surveyor's and engineer's field books for various projects (Old Faithful employee dorms, Old Faithful sewer relocation, road projects), 1970s-1980s

Box D-215—Museum and exhibit activities, Mammoth planting policy, roads, Yellowstone Heritage and Research Center, 1977-2002

Box D-216—Roads, trails, snow removal, reports on possibility of keeping park roads open year-round, 1952-1958, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-217—Snow removal, Northeast Entrance Approach Road, Red Lodge-Cooke City Road, 1931-1960, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-218—Approach roads, Master Plan and base map correspondence, 1936-1952, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-219--Construction and maintenance of buildings, landscaping, campgrounds, Master Plan, 1934-1959, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-220—Roads, buildings, construction projects, 1938-1952, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-221--Road construction and maintenance, 1938-1951, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-222--Road construction and maintenance, 1937-1945, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-223--Road construction and maintenance, 1938-1952, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-224—Trails, bridges, utilities, 1939-1952, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-225—Utilities, water, irrigation, proposed damming of Yellowstone Lake, 1935-1952, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-226—Construction and maintenance of buildings, 1955-1959, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-227—Construction and maintenance of buildings and utilities, 1952-1960, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-228—Utilities, structures, 1952-1960, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-229-- Utilities, structures, 1952-1960, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-230—Utilities, 1952-1960, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-231—Water and sewer systems, 1956-1958, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-232--Water and sewer systems, planning, Master Plan, 1952-1958, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-233—Planning, Master Plan, construction programs, roads, trails, 1957-1960, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-234—Roads, trails, bridges, 1956-1958, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-235--General development programs, 1927-1943

Box D-236--General development programs, utility sites, airport sites, 1940-1953

Box D-237—Records from Rick Cronenberger, National Park Service historical architect, on projects involving historic structures and buildings in Yellowstone (Norris Soldier Station, Roosevelt Arch), 1983-1990

Box D-238— Records from Rick Cronenberger, National Park Service historical architect, on projects involving historic structures and buildings in Yellowstone (Fishing Bridge Museum, Northeast Entrance Station, Fort Yellowstone buildings), 1983-1985; records on roads and trails, 1970s-1990s, from the Yellowstone Center for Resources

Box D-239—Landscaping, planning, Master Plan, construction projects, roads, trails, 1954-1963, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-240—Construction programs, roads, trails, bridges, 1959-1962, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-241—Roads and trails, 1960-1961, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-242—Roads and trails, 1961-1963, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-243—Utilities, construction and maintenance of buildings and structures, 1959-1963, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-244-- Utilities, museum and exhibit activities, 1952-1963, copied from the National Archives,

Central Plains Regional Office, Kansas City, Missouri

Box D-245—Museum and exhibit activities, signs, utilities, structures, buildings, planning, Master Plan, 1952-1964, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri

Box D-246—Roads, trails, landscaping construction, 1960-1964, copied from the National Archives, Central Plains Regional Office, Kansas City, Missouri; general development and maintenance records, 1950s-1990s

Box D-247—Housing studies, snow studies, update of Wildland Fire Management Plan, 1949-2004
