

Rain Barrel Sale

St. Clair County Health Department

Rain barrels are containers that collect rain water that otherwise would flow off a roof through downspouts and become runoff.

This FreeGarden 55-gallon rain barrel is designed with the homeowner in mind: it's affordable, attractive, easy to move, easy to set-up and easy to use!

BENEFITS

- Reduces the velocity of water entering local rivers and streams
- Stores fresh water for lawn & garden use, washing cars & much more
- Directs runoff away from foundations
- Reduces water bill
- Easy to install & minimal maintenance

FEATURES

- Square shape is ideal for flush-to-wall & corner installations
- Neutral tan color
- Higher spigot accommodates watering cans
- Insect resistant stainless steel screen
- Instructions, spigot, screws, overflow hose & clamp included
- Stable footprint & childproof lid
