PERMIT # 22-1430

ISSUED TO: 1776 RESTORATION MOVEMENT

LOCATION: MALL NORTH CENTER GRAVEL WALKWAY AT 6th STREET (PANEL 13)

DATE: JULY 23-AUGUST 8, 2022 (8:00 AM – 12:00 PM)

- B. In accordance to the Superintendent's compendium all individuals participating in the permitted event or activity must wear masks in accordance with the current mask-wearing requirements. The Superintendent's Compendium is available at www.nps.gov/nama. When COVID-19 Community Level is LOW or MEDIUM in parks located in Washington Metropolitan Area individuals are not required to wear mask. Mask are required to be worn when COVID-19 Community Level is High in one or more, but not all of counties where park is located based on COVID-19 Community Levels. However, if state, local, tribal, or territorial government where the park is located imposes more protective mask-wearing requirements than those indicated by the COVID-19 Community Level, individuals must follow those more protective requirements within the park. More protective state, local, tribal, or territorial mask-wearing requirements are hereby adopted as federal requirements in all units of the National Park System located within that state, locality, area subject to a federally recognized Indian tribe's regulatory jurisdiction, or territory, regardless of a particular park's jurisdictional status.

Masks must cover the nose and mouth and fit snugly around the nose and chin with no large gaps around the sides of the face. Novelty/non-protective masks, masks with ventilation valves, or face shields do not meet the Center for Disease Controls recommendations. Permittee is required to inform all participants at event of this requirement and ensure compliance.

- C. The Permittee is responsible for obtaining the necessary permissions and/or additional permits from the Metropolitan Police Department (202) 671-6522, United States Capitol Police (202) 224-8891 or from other federal, state or local agencies or departments for the use of public lands other than those under the jurisdiction of the National Park Service. **Permittee is responsible for securing all necessary permits to conduct activities outside of NPS jurisdiction.**
- D. Due to the exceptional time constraints associated with this permit and the complexity of multiple vendors bringing materials and equipment to park land, special attention is assigned to the requirement that the permittee will at all times provide an on-site coordinator to be accessible to National Park Service and United States Park Police personnel during the setup activities and during the load in/out of the event. **The following individuals will serve as onsite contacts: Tom Fisher (b) (6) and David Riddell (b) (6)**
- E. **Permittee will be responsible for reimbursing the park for the cost of any damage to NPS property—whether natural or man-made—resulting from Permittee's activities under this permit.**
- F. **If Permittee or its agents/representatives/contractors/subcontractors cause any injury or damage to park system resources, they may be liable for costs and damages in accordance with the System Unit Resource Protection Act, 54 USC §§ 100721-100725.**
- G. **Permittee will be responsible for any injury to, loss of, or damage to federally owned or controlled lands, waters, or resources (natural or cultural resources or facilities) resulting from Permittee's activities under this permit.**
- H. **The permittee shall be responsible for any injuries and/or damages to government property occurring as a result of this permitted activity, including but not limited to stains, turf ruts, burned turf, damaged post and chain created by installing above facilities. If and only if the conditions outlined within the permit are not followed. To avoid or minimize any potential damage, it is**

PERMIT # 22-1430

ISSUED TO: 1776 RESTORATION MOVEMENT

DATE: JULY 23-AUGUST 8, 2022 (8:00 AM – 12:00 PM)

recommended if the permittee needs to deviate from agreed upon conditions the permittee should contact the NPS Representative.

- I. All request, correspondence and meetings with the National Park Service pertaining to this permit shall be scheduled by the **permittee in writing only**. All contractors, subcontractors or consultants must channel their request through the recognized representatives of the permittee who in turn will contact the National Park Service representative.
- J. **The Permittee is responsible for providing all necessary equipment/objects to conduct this activity. All equipment must be removed from the park immediately following the conclusion of the event on August 8 at 12:00 pm. Items left in the park will be considered abandoned property and will not be the responsibility of the National Park Service.**
- K. Throughout the course of the permit, the Permittee will require employees/volunteers, and contractors, to exercise special care and attention to protect the resources of the permitted area and its environs. In addition, the Permittee must supervise their contractors, volunteers, and employees during setup and teardown to assure that there is no damage to park resources.
- L. The permittee shall require all employees and/or contractors to exercise all normal and reasonable safety precautions and to protect park visitors and property. Suitable devices such as barricades, fences, lanterns, etc. necessary for employee and public safety, shall be provided and adequately maintained. Such devices require the concurrence of the NPS Coordinator or designated representative.
- M. Permittee, contractors, and agents, are required to meet OSHA guidelines regarding employee/subcontractor work schedules. No employee/subcontractor is to work no more than 10 hours within a 24 hour period. Any work required beyond the 10-hour limitation will need to be requested to the NPS in advance for review and approval by the Superintendent, National Mall and Memorial Parks.
- N. **Persons engaged in the sale or distribution of printed matter under this section shall not obstruct or impede pedestrians or vehicles, harass park visitors with physical contact, misrepresent the purposes or affiliations of those engaged in the sale or distribution, or misrepresent whether the printed matter is available without cost or donation.**
- O. **No interference with the pedestrian traffic and no blocking of entrances, sidewalks, or driveways is allowed. No impediment to or disruption of vehicular traffic is permitted. All areas are to remain open to the general public at all times.**
- P. **First Aid: Person in charge is responsible for providing first aid services onsite. Permittee can rely on 911 for transport of patient.**
- Q. **Commercial Advertising Signage:** Consistent with long-standing NPS regulations and policy, and Public Law 108-108, Title I, §145, the erection, placement, or use of structures and signs bearing commercial advertising is prohibited for any special event. The recognition of special events sponsors, however, may be allowed if it has been specifically authorized by this permit.
A permit may be issued that authorizes the recognition of sponsors of special events, if the NPS determines that the size and form of the recognition is consistent with the special nature and sanctity of the National Mall or any other requested park area, and if the lettering or

design identifying the sponsor is no larger than one-third the size of the lettering or design identifying the special event. Further, to the maximum extent practicable for such special events, public use of and, access to the National Mall and other parkland is not to be restricted.

The Permittee shall submit a sign plan for NPS review and approval. Any request seeking NPS approval for sponsor recognition must be submitted to the NPS at least 14 days prior to the proposed event, and if approved by the NPS, will be authorized within the terms of the special event permit. Authorized sponsor recognition must be in keeping with NPS policy, regulations, and laws and be appropriate to the scale and theme of the special event. Further, the overall size, number, and design of any signs or banners shall be appropriate to the park setting and lettering or design identifying the special event. Signs and banners may not be affixed to existing trees or other NPS facilities or structures.

Only signs and/or banners specifically identifying and/or announcing the event or portion of the event are permitted. Commercial sponsors may be recognized on these same banners by letters and/or logos not to exceed one-third the height and width of the primary lettering identifying the event.

- R. Special attention is drawn to item #4, on the last page of this document, concerning solicitation and sales. No fee may be collected, donation solicited, or commercial activity conducted. No items may be sold or offered for sale except for books, newspapers, leaflets, pamphlets, buttons and bumper stickers which contain a message related to your demonstration or special event.
There are no sales OR donation collection associated with this event on park property.
- S. Particular attention is called to item #7, on the last page of this permit concerning sound amplification. All sound amplification equipment shall be limited so that it will not unreasonably disturb nonparticipating persons in, or in the vicinity of, the area.
- T. **Balloons of any kind, glass containers and alcoholic beverages are not permitted.**
- U. **The collection of entry/registration fee is prohibited on parkland.**
- V. **Camping: The use of temporary structures for camping is prohibited.** 36 CFR 7.96(5)(iv) allows temporary structures as part of a permitted demonstration “for the purpose of symbolizing a message or meeting logistical needs such as first aid facilities, lost children areas or the provision of shelter for electrical and other sensitive equipment or displays.” However, [t]emporary structures may not be used outside designated camping areas for living accommodation activities such as sleeping, or making preparation to sleep (including the laying down of bedding for the purpose of sleeping), storing personal belongings, or making fire, or doing any digging or earth braking or carrying on cooking activities. The above-listed activities constitute camping when it reasonably appears, in light of all the circumstances, that the participants, in conducting these activities, are in fact using the area as a living accommodation regardless of the intent of the participants or the nature of any other activities in which they may also be engaging...” In addition, to allow for visual inspection and monitoring, all temporary structures must continue to have at least one open side.
- W. **NOTE: CAMPING IS PROHIBITED.** Camping is defined as the use of the park land for living accommodation purposes such as sleeping activities, or making preparations to sleep {including the laying down or bedding for the purpose of sleeping), or storing personal belongings, or making any fire, or using any tents or shelter or other structure or vehicle for sleeping or doing any digging or earth breaking or carrying on cooking activities. The above-listed activities constitute camping when it

reasonably appears, in light of all the circumstances that the participants, in conducting these activities, are in fact using the area as a living accommodation regardless of the intent of the participants or the nature of any other activities in which they may also be engaging.

- X. Overnight Security: Permittee will be responsible for providing overnight security. Individual(s) must be properly identified and unarmed. Permittee must contact Sgt. Eddie Burnett, to finalize all security logistics.
- Y. The permittee shall insure that all facilities and structures placed on park property adhere to all applicable codes, standard, and regulations including but not limited to BOCA, OSHA, USPHS and ADA, covering requirements including but not limited to safe handling of all chemicals, proper disposal techniques and grounding of generators. Permittee will submit to the NPS structural evaluation and design specification for all structures, e.g. arks, tents, stages, cable trusses, audio and video towers, etc. for NPS review and approval.
- Z. Permittee's desiring the use of temporary structures, i.e. cable trusses, stages, audio and/or video towers and tents, whose dimensions are (500) square feet or more, shall provide Life Safety Code certification statements confirming the safety of all temporary structures. In the event that the manufacture's certifications are not available, permittee will submit to the NPS stamped engineered drawings for NPS review and approval. **Smaller structures cannot be attached or within 5ft of another to create a larger structure.**
- AA. All activities pursuant to this permit shall be in compliance with the requirements of Title VI of the Civil Rights Act of 1964 (78 Stat. 252; 42 U.S.C. 200d ed seg.); Title V, Section 504 of the Rehabilitation Act of 1973 (87 Stat. 394; 29 U.S.C 794); the Age Discrimination Act of 1975 (89 Stat. 728; 42 U.S.C. 6101 et seg.); and with all other Federal laws and regulations prohibiting discrimination of grounds of race, color, national origin, handicap, religion, or sex in employment and in providing facilities and services to the public. Nothing advertising for employees shall be done which will prevent those covered by these laws from qualifying for employment.
- BB. Contact Park Ranger Marisa Richardson, National Park Service, at (202) 245-4715, with questions or to discuss additional information regarding logistical setup.
- CC. Contact Sgt. Eddie Burnett and Sgt. Mahasin, United States Park Police, at (202) 610-7092, with questions concerning police procedures or logistics.
- DD. **In case of an emergency, please contact USPP dispatch at (202) 610-7500.**

A complete and legible copy of this permit must be retained on-site by the Permittee at all times while operating under the authority granted.

General Resource Protection:

- EE. Pursuant to 36 CFR 7.96(g)(xii), the alteration, damage, or removal of park resources or facilities is prohibited. No holes may be dug and no item, including signs or banners, may be attached to park trees, plantings, benches, fences, light standards, or any other park landscape element.

- FF. **Trash/debris pickup:** Permittee is asked to collect all trash and debris from the grounds of the Mall immediately after the conclusion of the demonstration each day. Trash receptacles for this effort shall be provided and removed from the site accordingly by the permit holder. Trash receptacles must not overflow with trash or debris. Use of clear trash bags is required for all trash receptacles used for the event.
- GG. **No set-up is permitted within the adjacent north and south grass panels, but these areas may be used to otherwise accommodate participants if needed. No set-up is permitted within the drip-line (root zone area) of trees or other vegetation.**
- HH. **Fire Hazards:** To prevent potential fire hazards permittee must adhere to the following:
- Flammable and Combustible Clearance: A minimum of 10 ft. clearance of all flammable or combustible materials or tall vegetation and trees.
 - Source of Ignition: Sources of ignition, including matches and lighters, shall not be used within 20 ft. (6m) of areas used for fueling, servicing fuel systems of internal combustion engines, or receiving or dispensing of Class I and Class II liquids –examples include gasoline, diesel fuel, lacquers paint thinner
 - No Smoking: Smoking shall not be permitted especially in areas where combustible materials are located. Plainly visible “No Smoking” must be visible.
- II. **Fire Hydrants:** A minimum 36 in. of clear space shall be maintained to permit access to and operation of fire protection equipment, fire department inlet connections, or fire protection system control valves. Vehicles must maintain a 15 ft. clearance of all fire hydrants.
- JJ. **Outdoor Equipment. (A) Wet Locations.** All switches, circuit breakers, receptacles, control equipment, and metering devices located in wet locations shall be weatherproof.
(NFPA70:551.78 (2017))
- KK. **OPEN-FLAME DEVICES.** Open-flame decorative devices, **candles, oil lamps, decorative torches and gas lights** are **NOT authorized** in any tent or temporary structures.
- LL. **COMBUSTIBLE OR FLAMMABLE LIQUIDS shall NOT be stored** on NPS property.
NCA-AHJ
- MM. **Weather (adverse) Policy during an Event Program:** When there is a threat to public health or safety, the Superintendent and/or designee, may close the National Mall or an event being held there for such duration as determined necessary to ensure the safety and well being of the public. Such situations have occasionally occurred in the past where park areas have been closed due to severe weather warning of heavy snow, thunderstorms with lightning, high winds, cold and intense heat. Where an area is ordered closed due to a weather-related public safety threat, pursuant to 36 CFR 2.32 people must comply with official directions to leave the closed area and relocate to safer sheltered locations. Weather will be monitored throughout the duration of the event. Permittee is responsible for ensuring that adequate resources are available to deal with extreme weather conditions. For example extreme heat, cold, snow etc. Permittee is responsible for removing snow from flooring, however the Park Superintendent must approve type equipment used or any deicer.
- NN. **Weather (adverse) Policy during Setup or Strike:** During wet conditions caused by rainfall, snow melt, or frost melt, activities on turf must be suspended until conditions allow for work to continue. Signs of mud staining, footprinting, or when there is rainfall in excess of .25”,

will trigger a cessation of work and coordination with the NPS to determine the best way forward given current conditions, forecasted conditions, and deadlines.

OO. **Parking:** Participants must obey all posted parking signs located on city streets including Madison and Jefferson Drives. Please note: Parking meters on Madison and Jefferson Drives are enforced from 8:00 am – 8:00 pm. Madison and Jefferson Drives are restricted to commercial vehicles. A commercial vehicle is any four-wheeled vehicle that is longer than twenty-two (22) feet; or used for transporting commercial loads or property; or described as a commercial vehicle on its certificate of title; or has an irremovable commercial advertisement or insignia. Commercial vehicles cannot park in meter spaces unless displaying a commercial loading permit for off peak hours ...[Commercial Vehicles | ddot \(dc.gov\)](https://ddot.dc.gov/)

PP. **Portable Restrooms:** If attendance is expected to exceed the capacity of nearby NPS public comfort facilities, or if none exist in or near the requested park area, the Permittee must provide portable, temporary toilets with sufficient capacity to accommodate anticipated attendance. The general guideline is a minimum of (1) portable toilet per (300) people, of which at least twenty percent (%20) must be handicapped accessible. All portable restrooms must be located on the outer gravel walkways next to Madison Drive. The restrooms should be grouped in banks of five with a six-foot clearance between each bank. Permittee has indicated the restrooms will be serviced and locked each night during the event. **Permittee will provide one locked portable restroom.**

- a. **ADA Accessible Portable restrooms:** 20% of the total number of portable toilets used to support the event must be ADA accessible.
 - i. Where clusters of portable units are provided at various locations around the event site, twenty percent of the units in each cluster should be accessible. They should be equipped with all the accessible elements required by the Standards such as maneuvering space, grab bars, toilet paper dispensers within reach, etc. In addition, when all units are not accessible, the International Symbol of Accessibility must be posted on the units that are.
 - ii. Accessible portable toilet units must be positioned on a level area that connects with an accessible route and have adequate space just outside the entrance door for people in wheelchairs to maneuver into position to open the door and enter. On steeply sloping sites, a temporary platform may be needed to provide this level area.
 - iii. The door threshold must be accessible. Outdoor surfaces are often uneven and may require a small bevel to level out the transition between the ground surface and door threshold. Units can be placed on or adjacent to parking lots or other paved surfaces.
