Firearm	NP17033197	03/31/2017	No	Patrol	PWR	CA	GOGA	While on foot patrol at West Fort Miley, I stumbled upon a homeless person's campsite. The site was partially inside a section of an old bunker with vegetation growing around all but a small 4X4 opening. When walking near, I observed movement in that small dark opening and a bright metallic object being presented in front of the person. It was later found out to be the end of a cigarette lighter, but that was unknown until I drew my service weapon and activated the attached flashlight providing light into the campsite. At that time I was able to identify the subject and confirm that he was not an immediate threat. I then stopped pointing the weapon directly at the subject. Once the subject was out of the camp site and in the daylight where I could easily see that he did not have any weapons immediately available, I holstered my service weapon.

								<p>On Saturday January 28th at apprx 12:48 hrs an armed robbery occurred at CVS in Manteo. Myself, Dare County Deputies, Nags Head PD, and Manteo PD all responded to 115 Hwy 64 S for a robbery of pills by a man with a gun. He was believed to be in or near the abandoned house behind the CWS store on Berry Drive. I stood post with my handgun in low ready position parallel to my right leg, along Berry Drive and watched one side of the house and along the wooded roadside for any activity. Dispatch stated a suspect matched the description was at the ABC store at 506 S Main Street in Manteo. I responded to that location. It was decided that this suspect was not connected with the robbery and all units returned to Berry Drive. At 1337 hrs the house and surrounding woods were cleared by Manteo PD K9 units. Dispatch stated that a truck matching the one wanted in connection with the robbery was observed in Wanchese, NC at 3315 Mill Landing Road. Major (b) (6), (b) (7)(C) with Dare County Sherriff Office requested US Fish and Wildlife Service Officer (b) (6), (b) (7)(C) and I to respond to that location with DCSO, MPD and NC State Troopers. At this location DCSO ordered 2 male suspects from the house. I briefly stood with my handgun out of the holster in a low ready position beside my right leg as the suspects followed commands and exited the house. I holstered my handgun and I placed the 2nd suspect (b) (6), (b) (7)(C) in handcuffs while standing beside a NC State Trooper. At apprx 14:30 hrs Officer EDDY and I cleared the scene. DCSO and NC State Troopers remained on scene with suspect.</p>

Firearm	NP17203671	11/20/2017	No	Patrol				On Monday, November 20, 2017, at approximately 1030 hours, DCSO requested mutual aid to search for (b) (6), (b) (7)(C) in the area of Brigands Bay after she had escaped custody while being served a warrant. Initially she evaded deputies in a wooded area. After breaking into a residence and stealing a handgun, she was spotted running down Buccaneer Drive. She threatened to shoot officers once we had her partially surrounded in a car port, then threatened to shoot herself. After making a break around the back of the house, she jumped into the adjacent canal and swam towards the bay, eventually crawling into some long grass in the middle of the canal. We set up positions on each side of the canal with long guns, utilizing elevated positions to observe her low crawl movements through the long grass. After approximately 40 minutes in the water, she surrendered and followed commands directing her to my position where I took her into custody. After being checked out by EMS, she was transported by EMS with a deputy to OBH. The firearm was located on land near where (b) (6), (b) (7)(C) jumped into the canal.
Physical restraint	NP17212737	12/10/2017	No	Patrol				On Sunday, December 10, 2017, at approximately 2200 hours, DCSO was dispatched to an assault in progress, male vs. female, male saying he was going to kill her and it was physical at (b) (6), (b) (7)(C). There were unknown weapons but a there was a child, believed to be fewer than 4 years old in the house. DCSO Lt. Scarborough requested mutual aid from me in person at the scene of a CPR in progress we were at. Upon arrival, male was combative and was physically restrained. Parties were separated for the night. Associated MVC was handled by NCHP.

Firearm	NP17203671	11/20/2017	No	Patrol				On Monday, November 20, 2017, at approximately 1030 hours, DCSO requested mutual aid to search for (b) (6), (b) (7)(C) in the area of Brigands Bay after she had escaped custody while being served a warrant. Initially she evaded deputies in a wooded area. After breaking into a residence and stealing a handgun, she was spotted running down Buccaneer Drive. She threatened to shoot officers once we had her partially surrounded in a car port, then threatened to shoot herself. After making a break around the back of the house, she jumped into the adjacent canal and swam towards the bay, eventually crawling into some long grass in the middle of the canal. We set up positions on each side of the canal with long guns, utilizing elevated positions to observe her low crawl movements through the long grass. After approximately 40 minutes in the water, she surrendered and followed commands directing her to my position where I took her into custody. After being checked out by EMS, she was transported by EMS with a deputy to OBH. The firearm was located on land near where (b) (6), (b) (7)(C) jumped into the canal.

NP20149757	10/19/2020	Physical restraint	No	Patrol	PWR	NV	LAKE	LAKE - On 10/19/2020 at approximately 1440 hours LMICC reported a woman at Boulder Swim Beach who was swimming by the buoys who was yelling at man who was near her on an inflatable raft. The man was telling the woman "don't do this" and the woman was reported to be flailing about and repeatedly putting her head under the water. V21 responded with 2 rangers on board to assist the woman. Rangers attempted to get the woman on board multiple times, to which she said no and disobeyed commands. She swam closer to shore, where a ranger ordered her multiple times to get out of the water, to which she stated, "fuck off". One ranger disembarked from V21 and one ranger went into the water from shore to retrieve the woman who was disobeying commands. Rangers had to carry her out of the water as she went limp and would purposely not walk. Woman was seated on shore and began to actively resist detainment. Woman was placed into handcuffs and had to be carried by four rangers to the patrol cars, as she was still refusing to walk. Halfway to the cars, the woman was able to slip her left hand out of the cuffs and actively tried to punch the one of the rangers. While the woman was trying to assault rangers, she twisted and pulled her left arm trying to release the control hold resulting in a minor injury to one of the rangers. The woman was placed on the ground and handcuffs were reapplied and appropriately tightened and double locked. The woman was transferred to the custody of HDC with the help of their in house arrest team without incident. (b) (6), (b) (7)(C)
