Commercial Use Authorization Checklist

A complete application package for a Commercial Use Authorization includes

_____ Completed, signed, and dated application form.

Please be specific about the nature of your business, e.g., "tours" is not sufficient. Indicate if your tours are hiking, walking, conducted on a bus, from a boat, etc. If you conduct motor tours, indicate whether or not you own the motor coach.

Submit your application at least 14 calendar days in advance of your first visit.

_____ Check for \$200 for permit cost made out to the National Park Service.

Note: Motor-coaches, while required to have a CUA are not charged the CUA cost. However, all motor-coaches must pay the \$150 commercial tour bus entrance fee while operating in the park during each visit, regardless of entry point.

_____ Completed annual survey for 2010 if you operated in the park in 2010.

Completion of this survey is a requirement of your current CUA. No future authorization will be issued without completion of the entire annual survey, including signature, amount of gross receipts, and the method of calculation. The amount of gross receipts realized by operating in the park is **required** by our Washington Office.

_____ Current Certificate of Liability Insurance listing the United States of America as an **additional insured**. This is not the same as a "Certificate Holder." Contact your agent for details.
