"Nazi Germany has been defeated.

"The Japanese people have felt the weight of our land, air and naval attacks. So long as their leaders and the armed forces continue the war the striking power and intensity of our blows will steadily increase and bring utter destruction to Japan's industrial war production, to its shipping and to everything that supports its military activity.

"The longer the war lasts the greater will be the suffering and hardships which the people of Japan will undergo all in vain. Our blows will not cease until Japanese military and naval forces lay down their arms in unconditional surrender."

— PRESIDENT HARRY S. TRUMAN

PRESIDENT TRUMAN'S PROCLAMATION

"The Allied armies, through sacrifice and devotion and with God's help, have wrung from Germany a final and unconditional surrender. The Western World has been freed of the evil forces which for five years and longer have imprisoned the bodies and broken the lives of millions upon millions of free born men. They have violated their churches, destroyed their homes, corrupted their children, and murdered their loved ones. Our armies of liberation have

brought freedom to these suffering peoples, whose spirit and will the oppressors could never enslave.

"Much remains to be done. The victory won in the West must now be won in the East. The whole world must be cleansed of the evil from which half the world has been freed. United, the peace loving nations have demonstrated in the West that their arms are stronger by far than the might of the dictators or the tyranny of military cliques that once called us soft and weak. The power of our peoples to defend themselves against all enemies, will be proved in the Pacific War as it has been proved in Europe.

"For the triumph of spirit and of arms which we have won, and for its promise to peoples every where who join us in the love of freedom, it is fitting that we, as a nation, give thanks to Almighty God, who has strengthened us and given us the victory.

"Now therefore, I, Harry S. Truman, President of the United States of America, do hereby appoint Sunday, May thirteenth, nineteen forty five, to be a day of prayer.

"I call upon the people of the United States, whatever their faith, to unite in offering joyful thanks to God for the victory we have won and to pray that he will support us to the end of our present struggle and guide us into the ways of peace.

"I also call upon my countrymen to dedicate this day of prayer to the memory of those who have given their lives to make possible our victory.

"In witness whereof, I have here unto set my hand and caused the seal of the United States of America to affixed."

General Omar Bradley today said that "it will take hours for German High Command to transmit surrender orders to all its troops," explaining that Nazi transmitters "are too feeble to carry very far."
