General Hunting Information

-Hunting is allowed in 5 specific Hunt Areas; the remainder of Amistad National Recreation Area is closed to hunting.

-White-tailed deer, javelina, turkey, rabbit, exotic mouflon and aoudad sheep, exotic blackbuck and feral hog can be hunted with compound, recurve and long bows. Dove, quail, duck, and rabbit can be hunted with shotgun and birdshot. The species listed above are the only species allowed to be hunted in Amistad National Recreation Area.

-Hunting any game with rifles or handguns is prohibited in Amistad National Recreation Area.

-All hunters must have in their possession a valid Texas Hunting License, a National Park Service Annual Hunting Permit, a Driver's License or official photo identification card and Hunter Safety Course Certification (if required).

-Starting August 15, 2010, hunters can obtain a \$20 National Park Service Annual Hunting Permit by going in person to the Amistad Visitor Center on Highway 90, six miles west of Del Rio. The Visitor Information Center is open 7 days a week from 8:00 AM to 5:00PM. Bring your Texas Hunting License and a photo ID.

-Hunt Area #2 is subject to periodic closure when the National Park Service gun range is in use for official purposes. Signs will be posted at the entrance to Hunt Area #2 to advise hunters when the area will be closed. This gun range is not open to public use.

-Safety: Poisonous reptiles & insects, plants with thorns & spines, caves & sinkholes are present throughout the park. Use caution. Be aware of your surroundings. To report an emergency, call 911. For non-emergencies, call Val Verde Sheriff at 830.774.7513 and request assistance of a Park Ranger. Carrying a compass, flashlight, first aid kit, maps and water is recommended. Letting someone know where you'll be hunting and when you'll return is highly recommended.

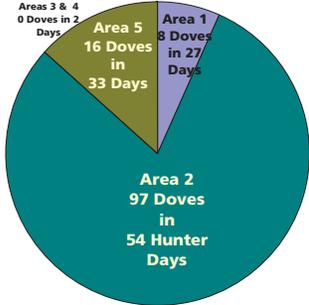

-If you have any questions concerning the Hunting Program at Amistad National Recreation Area, feel free to call Amistad Visitor Information Center at 830.775.7491 ext. 0, or visit our website at www.nps.gov/amis

Hunting Regulations 2010-11

State of Texas hunting season dates and regulations apply except where the following Amistad National Recreation Area Regulations are more restrictive (Title 36 Code of Federal Regulations).

1. The hunting season within Amistad National Recreation Area extends from the first day of Dove Hunting season to the last day of Quail Hunting season. Hunting at any other time or in any other manner than prescribed in this set of regulations is prohibited. [36CFR 1.6(g)(2)]; [36CFR 2.2(b)(2)]; [36CFR 7.79(a)(2)]
2. The following items must be in your possession while hunting at Amistad NRA: a current Amistad National Recreation Area Annual Hunting Permit, a State of Texas Hunting License, a Driver's License or an official personal identification certificate issued by a State Department of Public Safety or similar State agency authorized to issue a driver's license, appropriate State and/or Federal stamps, and a Hunter Safety Course Certification (if required). [36CFR 1.6(g)(2)]; [36CFR 2.2(b)(2)]
3. Hunting is authorized in five specific, designated hunting areas as shown on the attached map. The remainder of the park is closed to hunting. [36CFR 2.2(b)(2)]
4. The Amistad Annual Hunting Permit entitles you to use compound, recurve, and long bows in accordance with Texas Parks and Wildlife Regulations to take white-tailed deer, turkey, javelina, exotic mouflon and aoudad sheep, exotic blackbuck, feral hog, and rabbit during the White-tailed Deer Season. The park has a special extended exotic game season for mouflon sheep, aoudad sheep, and blackbuck from January 17, 2011 to February 27, 2011. You can use shotguns with birdshot only to take dove, quail, waterfowl (duck), and rabbit (shotguns can only be used to take rabbit during the Dove and Quail Season). [36CFR 2.2(b)(2)]; [36CFR 7.79(a)(2)]
5. The possession or use of crossbows is prohibited in Amistad NRA Hunt Areas, except by those hunters with an upper-limb disability as defined by Texas Parks and Wildlife Regulations. Authorized (upper-limb disability) crossbow

hunters in the hunt areas may not walk or move from a stationary position with the bolt loaded in the crossbow. [36CFR 1.6(g)(2)]

6. The use of any firearms within any of Amistad NRA's designated hunt areas except as allowed in the Amistad Hunting Regulations is forbidden. [36CFR 2.4(a)(iii)]

7. Waterfowl may be hunted by boat within 100 yards of the exterior shoreline boundary of all hunt areas. Shooting must be directed toward the hunt area shoreline when duck hunting by boat. Waterfowl may also be hunted from the shoreline of the hunt areas and at interior ponds located within the hunt areas. [36CFR 2.2(b)(2)]

8. While waterfowl hunting, only non-toxic shot approved by the Director of the U.S. Fish and Wildlife Service may be possessed. Possession of lead shot while waterfowl hunting is unlawful. [36CFR 1.6(g)(2)]; [36CFR 2.2(b)(2)]

9. The use and/or possession of hunting dogs is allowed for hunting of game birds only. Bird dogs must remain under the owner's control at all times. [36CFR 2.2(b)(2)]

10. Possession or consumption of an alcoholic beverage while in an area open to hunting is prohibited. [36CFR 2.35(a)(3)(i)]

11. Feeding or baiting of wildlife is prohibited. The possession of baiting material while inside a hunt area is prohibited. [36CFR 2.2(a)(2)]

12. Hunting over a baited area is prohibited. [36 CFR 2.2(b)(94)]

13. Portable deer stands or blinds may be used, but they must not be left unattended for longer than 48 hours. [36CFR 2.22(a)(2)] Construction or use of permanent stands or other structures is prohibited. [36CFR 5.7] Ground blinds are acceptable, but construction is limited to the use of vegetation that is both dead and down. Cutting vegetation is prohibited. Deer stands may not penetrate the bark of the tree. [36CFR 2.1(a)(1)(ii)] You are required to label your portable deer stand or blind with your permit

number. Deer stands that are unmarked or unattended for over 48 hours will be confiscated by Amistad NRA. [36CFR2.22(a)(2)]

14. Target practice (firearms and archery) is prohibited within Amistad NRA. [36CFR2.4(a)(1)(iii)]

15. Camping within the boundaries of a hunt area is prohibited during the hunting season. [36CFR 2.10(a)]

16. The display of harvested game in the Amistad NRA campgrounds is prohibited. The gutting of deer is prohibited in campgrounds. Skinning and quartering must be out of sight of the public.[36CFR 2.10(a)] The gutting, skinning, and quartering of deer is prohibited in or near the hunt area parking lots. [36CFR 2.2(d)]

17. Hunting domestic livestock is prohibited. It is your responsibility to know how to recognize the difference between exotic mouflon or aoudad sheep and domestic goats and sheep. Photos are available on pages 12 and 13 to assist you with identification. (Photos also available at www.nps.gov/amis and at the Visitor Information Center.)

18. Hunters using shotguns in the hunt areas are required to carry out their spent shotgun shells.

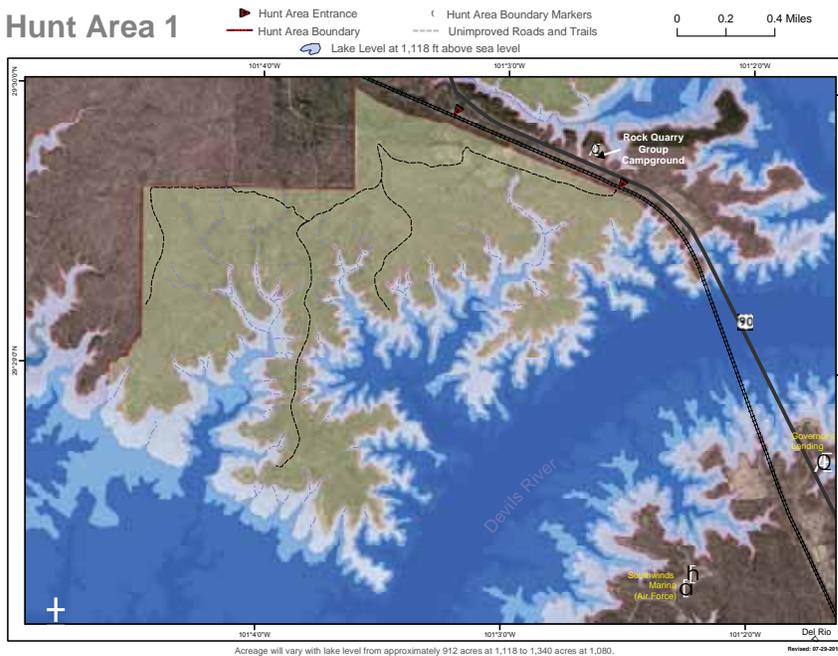

19. All hunters must return their completed *Hunter Data Sheet* by March 15, 2011 showing hunt dates, hunt areas, targeted game, and game harvested. The Hunter Data Sheet will still be accepted from March 16, 2011 to August 1, 2011, but a processing fee of \$10 will be assessed when the next season's hunting permit is purchased. If the Hunter Data Sheet has not been turned in by August 1, 2011, an administrative fee of \$100 will be assessed when the next season's hunting permit is purchased. [36CFR 1.6(h)]

20. Do not park on or cross private property to gain access to a hunt area without the consent of the landowner.

21. All archeological features and artifacts are protected by Federal law.

22. You will be hunting on Federal land. Violations of State or Federal law and/or Recreation Area regulations may result in a fine and/or suspension or permanent loss of your hunting privileges.

Hunt Area 1

Hunt Area 1

Information: Hunt Area 1 is the third most popular hunting area with a total of 393 days hunted during the 2009-10 hunting season. Walk-in and boat access available.

Area 1 has the largest amount of shoreline with trails leading to two main peninsulas. The north and west boundaries are along and in line with a fence line marked with signs labeled “NPS Boundary” or “No Hunting/Trapping Beyond This Point.” The eastern boundary is the shoreline of Devils River arm of the lake. The southern boundary is the shoreline of the Rio Grande arm of the lake.

Total Acreage: 912 acres at 1118 ft lake level, 1340 acres at 1080 ft lake level. Check lake levels at the Visitor Information Center or at www.nps.gov/amis

Vehicle Parking: Just after crossing the Highway 90 West main bridge, one parking area is across from the NPS Rock Quarry Group Campground, and the second is 1/2 mile farther west on Highway 90. *Driving along the railroad right of way to gain access to Hunt Area 1 is prohibited.*

Hunt Area 2

Hunt Area 2

Information: Hunt Area 2 is the most popular hunt area with a total of 973 hunter days during the 2009-10 hunting season. Walk-in and boat access available.

Area 2 has roads and trails that can be easily navigated. The north and west boundaries of the hunt area are along a fence line marked with signs labeled “NPS Boundary” or “No Hunting/Trapping Beyond This Point.” The remainder of the boundary is the shoreline along Evans Creek, Castle Canyon, and Guajia Bay sections of the lake unless posted otherwise. This hunt area is subject to closure on short notice when the National Park Service Gun Range is in use by authorized personnel for official purposes. The closure will be posted with a sign at the parking area.

Total Acreage: 505 acres at 1118 ft lake level, 1009 acres at 1080 ft lake level. Check lake levels at the Visitor Information Center or at www.nps.gov/amis

Parking: From Highway 90 West, turn right at flashing yellow light across from Box Canyon Rd and follow gravel access road to the right which leads to parking area. Do not enter or block the gate for the National Park Service Gun Range.

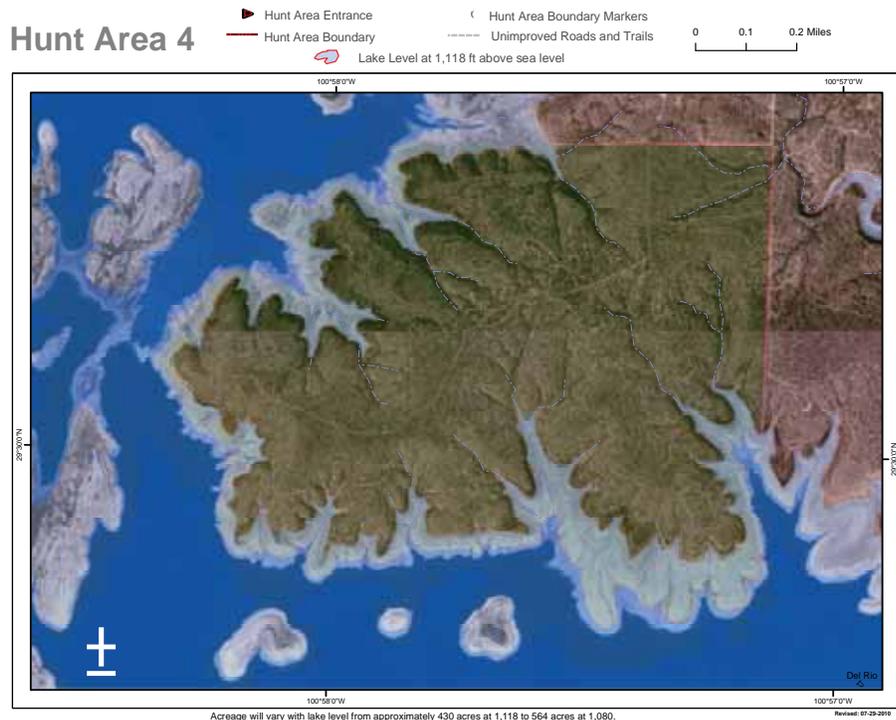

Hunt Area 3

Information: Hunt Area 3 had a total of 156 hunter days during the 2009-10 hunting season with 11 Whitetails taken. Walk-in and boat access available.

There are no roads in Area 3 and very few defined trails. The north and west boundaries are along and in line with the fence line marked with NPS boundary signs, and the remainder of the boundary is the exterior shoreline unless otherwise posted.

Total Acreage: 227 acres at 1118 ft lake level, 267 acres at 1080 ft lake level. Check lake levels at the Visitor Information Center or at www.nps.gov/amis

Parking: Vehicle parking is available on the north side of Highway 90 one mile west of the NPS Rock Quarry Group Campground.

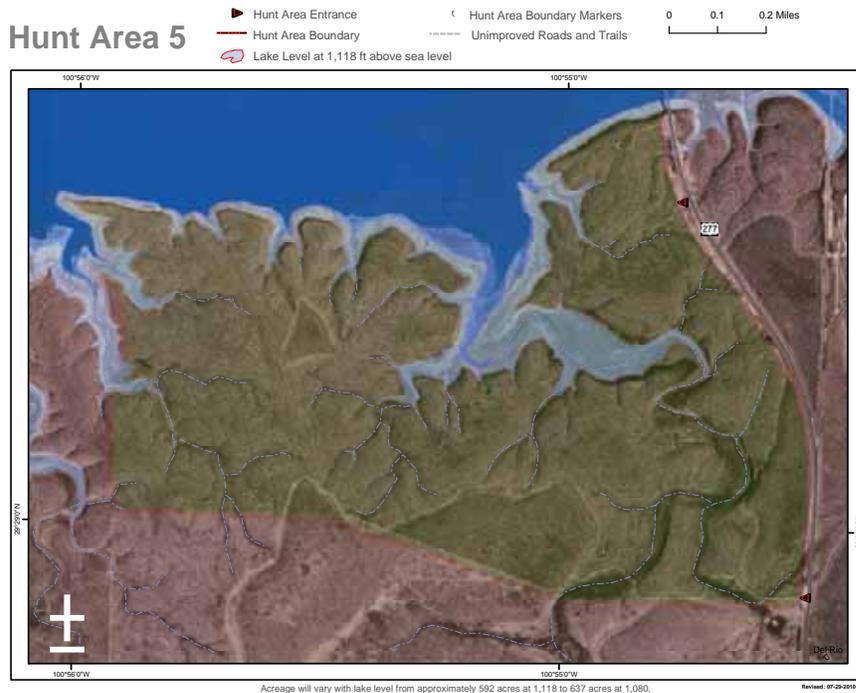

Hunt Area 4

Information: Hunt Area 4 had a total of 271 hunter days during the 2009-10 hunting season.

Hunt Area 4 is boat access only. There is no boat ramp available. Boats must be secured properly to shoreline. Strong, gusty winds are common. Hunt Area 4 is approximately 1/2 square mile on the end of Long Point, the peninsula between Devils River and San Pedro Arm. The north and east boundaries are marked along and in line with a fence line extending from Devils River to the San Pedro Arm, and is marked with NPS boundary signs. The remainder of the boundary is exterior shoreline unless otherwise posted.

Total Acreage: 430 acres at 1118 ft lake level, 564 acres at 1080 ft lake level. Check lake levels at the Visitor Information Center or at www.nps.gov/amis

Parking: There is no parking. Area 4 is only accessible by boat or watercraft.

Hunt Area 5

Information: Hunt Area 5 is the second most popular area with a total of 661 hunter days during the 2009-10 hunting season. 41 mouflon sheep were taken in 194 hunter days in this area. Walk-in and boat access available.

The south and east boundary is along and in line with a fence line marked with NPS boundary signs. The west boundary is an old downed fence line and is marked with signs labeled “No Hunting/Trapping Beyond This Point.” The remaining boundary is the shoreline of the San Pedro Arm extending eastward to the Highway 277 Bridge.

Total Acresage: 592 acres at 1118 ft lake level, 637 acres at 1080 ft lake level. Check lake levels at the Visitor Information Center or at www.nps.gov/amis

Parking: Vehicle parking is at the southeast corner adjacent to Highway 277 N about one mile south of the Highway 277 N Bridge. A second parking area is farther north on the left side of Highway 90 just before the Highway 277 N Bridge.
