Seasonal Decorations at the Andersonville National Cemetery

ANDERSONVILLE, Georgia – As the changing color of the leaves outside denotes the arrival of cooler weather, the staff at Andersonville National Cemetery would like to remind the public of the following seasonal changes to the floral decoration policy.

- Fresh-cut flowers may be placed on graves at any time.
- During colder months, from October 10 to April 15, artificial flowers and wreaths are permitted.
- Plantings, statues, vigil lights, or other decorations are not permitted at any time.
- Christmas wreaths and floral blankets no larger than 2 by 3 feet are permitted from December 1 to January 20. After this time seasonal decorations will be removed and discarded.
- All flowers will be removed when they become faded or unsightly, at the discretion of cemetery staff.

“The holiday season allows unique opportunities to mark the graves of loved ones and our nation’s honored veterans who are laid to rest in the National Cemetery,” remarked superintendent Brad Bennett, “we hope that families take advantage of this time to remember.”

The Wreaths Across America program offers one way in which families and members of the public may decorate graves and honor the fallen. You can learn more about the program and purchase wreaths online at www.wreathsassamerica.org.
