

# 16 Miles in 2016

National Park Service  
U.S. Department of the Interior

Antietam National Battlefield  
P. O. Box 158  
Sharpsburg, MD 21782

Commemorate the Centennial of the National Park Service in 2016 by hiking 16 miles at Antietam National Battlefield. Experience the rural landscape of one of America's best preserved battlefields by walking one of Antietam's trails or by joining a ranger led hike during March, April and September. The first 100 visitors to complete 16 miles can receive a commemorative centennial pin from Eastern National, the park's cooperating association. Use this form to document your hikes. Additional information is available on the park website at [www.nps.gov/anti](http://www.nps.gov/anti)
