

50 Years of Recreation

1972-2022

National Park Service
U.S. Department of the Interior

Glen Canyon, Gateway, Golden Gate,
National Recreation Areas, AZ/UT, NY/NJ, CA

Celebrate Glen Canyon, Gateway, and Golden Gate National Recreation Areas' Birthday with this digital scavenger hunt.

Gateway National Recreation Area, New York/New Jersey

Why was Gateway established?

How many states and counties (or boroughs) is Gateway in?

The oldest continuously operating lighthouse is found in what unit of Gateway?

How many bird species have been found in Gateway?

Glen Canyon National Recreation Area, Arizona/Utah

Why was Glen Canyon Established?

During the Jurassic Period some 200 million years ago, these massive three-toed carnivores roamed the area. Today traces of their footprints can be found layers of sandstone.

What rare endangered species was reintroduced to the area in 1996?

While Recreation Areas do provide lots of places for people to hike and boat and enjoy our public lands, they also protect important places like this historic district near the banks of the Colorado River.

Golden Gate National Recreation Area, California

The community advocated for Golden Gate National Recreation Area to be created to deter corporate development in what area?

Golden Gate is on the ancestral homelands of what indigenous tribes?

Golden Gate National Recreation Area encompasses over 80,000 acres of land, including: how many miles of trail?

Golden Gate is an urban park: that includes land, sea, and city. What is one environmental impact of climate change Golden Gate will face in the years to come?

Submit your completed questions to one of the following parks to receive your very own 50th Birthday Commemorative Sticker:
