Program Descriptions

Bird Walk (1 ½ hours, ½ mile) - Discover some of Assateague's most colorful residents on this walk designed for birders of all skill levels. A limited number of binoculars and bird guides are available.

Birding With a Ranger (1 hour window) - See what birds the ranger is viewing along Beach Road in Toms Cove. Come and go as you please anytime during the 1-hour window. Some binoculars and field guides will be available.

Crabbing Demonstration (45 minutes) - Come learn about the feisty and tasty blue crab by watching its powerful pinchers latch on to your bait! Equipment is provided. This program is catch and release. Sunscreen and bug spray are advised. Parking is limited. Bicycling to program is encouraged. Meets at the bridge before the Refuge entrance.

Creature Talk (20-30 minutes) - Gather 'round the ranger and learn the life and lore of a special Assateague resident during this informal discussion.

History Talk (20-30 minutes) - What's that building on the hook? Why is the lighthouse so far inland? Come learn about the cultural history, Park legends, lore, local tales and more!

Marine Explorers (1 hour) - Join a ranger and investigate the creatures found in and around Toms Cove. Expect to get wet! **A snug pair of wading shoes is required, no flip-flops.**

Plant Rant (20-30 minutes) - "Lettuce" dig up the dirt on plants to unearth their roots and blossoming potential!

Story Time (30 minutes) - You're never too old for a story. Come learn about an animal that calls Assateague home. An activity or craft related to the story will follow. (*Wheelchair Accessible*)

Surf Fishing (1 ½ hours) - Program is limited to those 12 years and older. If sitting on the beach bores you, you might just get hooked on surf fishing. Designed for those with limited surf fishing experience, this program includes demonstrations of equipment, bait and casting techniques. Equipment is provided, however; actual practice time depends on group size.
