

## Weekend Program Schedule

Maryland District

### Intro to Birding

Want to try your hand at birding? Come learn some birding tips and tricks and hear about Assateague Island's place on the Atlantic flyway and why it is so important.

### Horse Program

Join this Ranger led talk to learn more about the wild horses of Assateague. Get an insight into their behaviors, social structure, and history through this informative program!

### Ranger Guided Hike

Join a Ranger on one of our short Nature Trails to learn more about Assateague Island's amazing natural environment and its significance!
