
Cedar Pass Campground

Badlands National Park

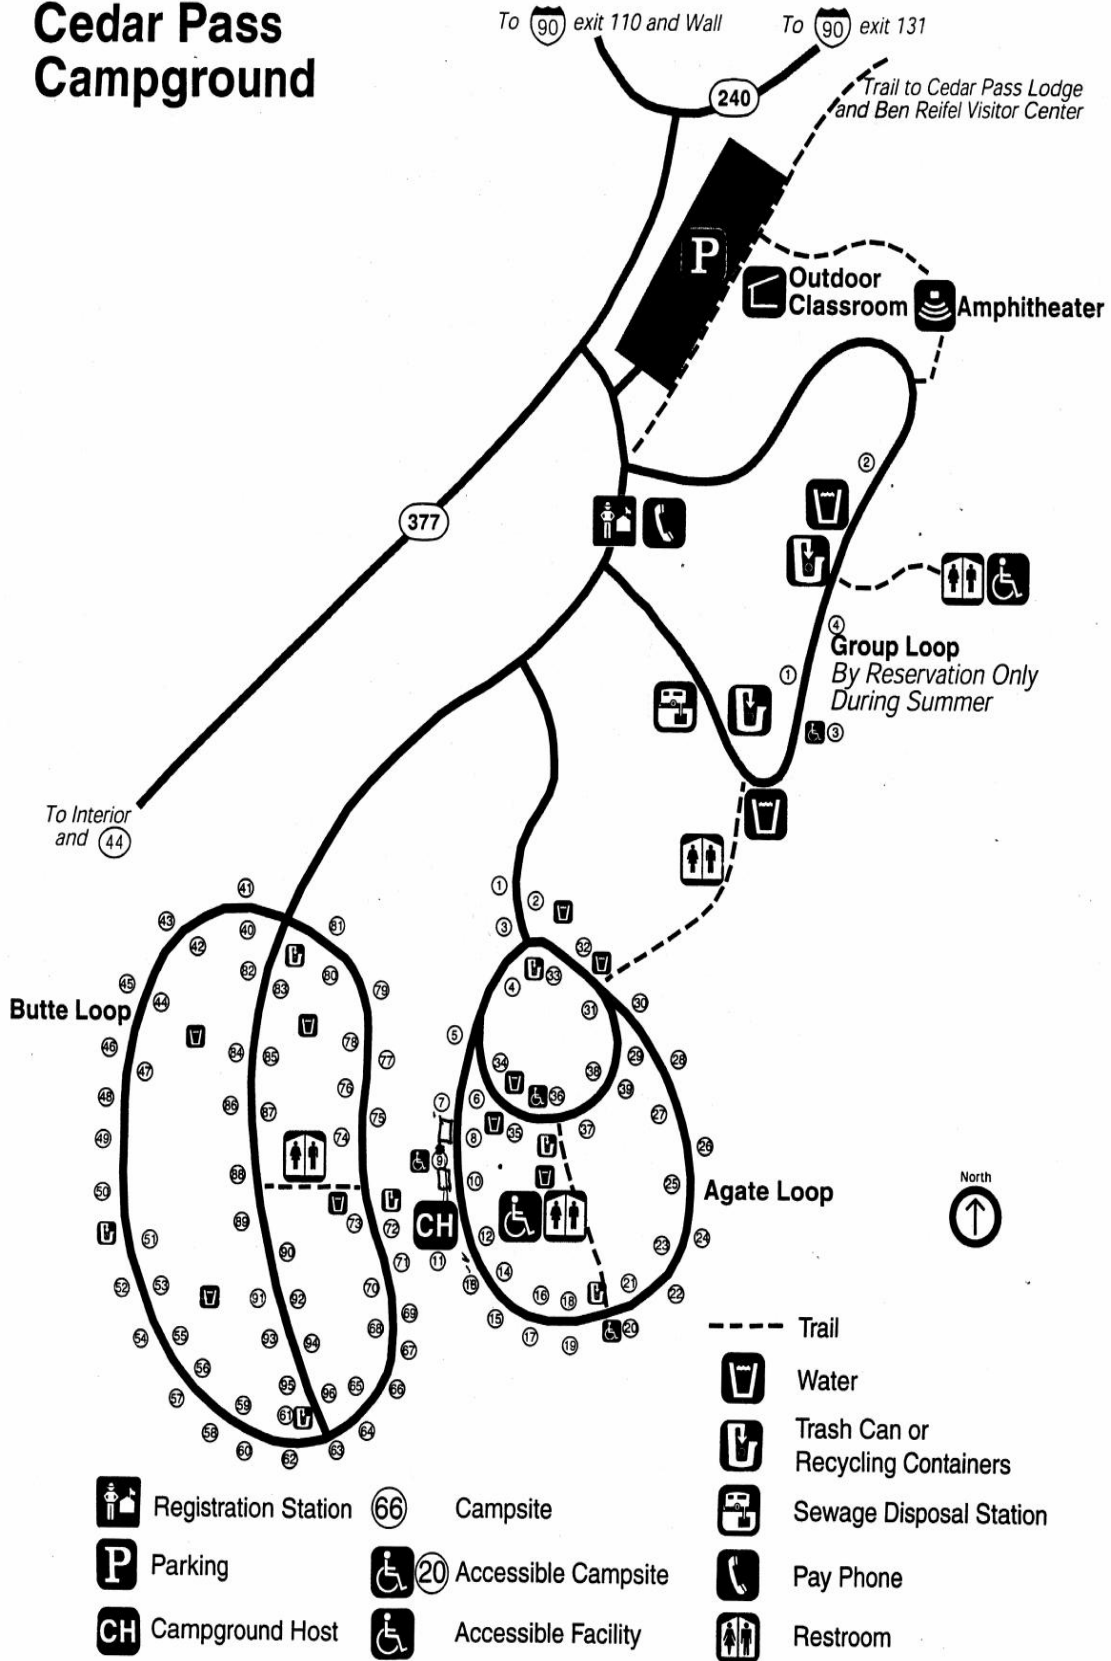

Welcome to the Cedar Pass Campground. Please take a moment to read the campground regulations. These rules help ensure your safety, protect park resources, and provide visitors with an enjoyable stay. If you have any questions during your stay, please visit the Campground Host in Site #11 of the Agate Loop or talk to a park ranger. We hope that you enjoy your time in the Badlands. We welcome your suggestions or comments.

Campground Regulations

- Rocks, fossils, plants, animals, artifacts, and all other features are protected in the park. No collecting is allowed under any circumstances.
- Campsites are available on a first-come, first-served basis. The maximum site occupancy is six people, two tents, and two vehicles. *Note: Trailers count as vehicles.* Extra vehicles can be parked in the amphitheater parking lot.
- Quiet hours are between 10 p.m. and 6 a.m. Generators and audio equipment must be turned off during quiet hours.
- Open fires and fireworks are prohibited in the entire park due to wildfire danger. Charcoal is allowed in an appropriate container or grill. Ashes should be soaked in water and placed in a trash can when completely cool.
- Sewage containers on trailers and RVs must be sealed or connected to sealed containers. Do not drain sewage or gray water on the ground.
- Pets must be kept on a leash at all times.
- Horses are not permitted in the campground.
- Federal and state traffic laws are enforced. Vehicles, trailers, motorcycles, and bicycles must remain on established roads and parking areas.
- Do not wash clothes or dishes in restrooms or at an outdoor water faucet. Dump wastewater in restroom toilets.
- Snakes are protected in the park. If you see a snake and are concerned about its presence, contact the campground host or a park ranger.
- Remove clotheslines before dark.
