SUPERINTENDENT'S COMPENDIUM
EXPLANATORY AMENDMENT

Amendment to Section 4.22 Vehicle Safety

Section 4.22 Vehicle Safety

(b)(1) *Operating a motorized vehicle(s) on frozen bodies of water in the park (to include Bighorn Lake) is prohibited with the exception of south of the "South Narrows" of Bighorn Lake (legal description R94W, T57N at the SE corner of Section 6, the SW corner of Section 5, the NE corner of Section 7, and the NW corner of Section 8*

This is an explanatory amendment to Section 4.22 Vehicle Safety to help make the regulation more clear as to the location of the authorized excepted area for motorized vehicle travel on the ice of Bighorn Lake.

The Lat/Long Coordinates of where the authorized motorized vehicle exception starts is 44 degrees, 56.175 minutes N and 108 degrees, 13.407 minutes W.

The lake areas south of these coordinates are authorized for motorized travel on the frozen bodies of water in the park. The lake areas north of these coordinates are not authorized for motorized travel on the frozen bodies of water in the park.

See the attached Appendix C for maps detailing the area authorized for motorized vehicles on the frozen bodies of water in the park.
