

2008-2009 ORV Permit Application

The process begins with interested parties submitting an application for entry into the drawing. It is necessary to complete one application for each vehicle you are seeking to purchase a permit for. Applications must be received or postmarked by November 30, 2008 in order to be considered.

If the number of entries is greater than 2000, a random drawing will be held by December 15, 2008 to select 2000 winners. Successful participants will be notified by mail and/or email so that they can complete their permit purchase. All successful participants must complete their purchase of an ORV permit by January 31, 2009.
