**Activities On Your Own**

- Safety First** When traveling in Big Cypress National Preserve always let someone know where you are going and when you plan to return. Remember to fill out a backcountry permit if you are entering at one of the backcountry access points. To enjoy your visit come prepared by bringing water, food, sturdy shoes, sun protection, and insect repellent, Always be aware of your surroundings and be respectful of the wildlife.
- Wildlife Viewing** While visiting you may see a multitude of bird life, or alligators and the fish they prey on. Observe wildlife respectfully and never attempt to feed or approach wild animals! Wildlife observation platforms are located at the Big Cypress Swamp Welcome Center - Seagrape Drive and U.S. 41, H. P. Williams Picnic Area - Turner River Road and U.S. 41, and at the Oasis Visitor Center on U.S. 41.
- Driving** Excellent wildlife viewing by car may be found along the Turner River/Birdon Road loop, 17 miles in length. This gravel road offers a view of Preserve’s animal life and subtropical habitats. Help protect wildlife by observing the speed limit. Stop by the Big Cypress Swamp Welcome Center or the Oasis Visitor Center for more information.
- Hiking** The Florida National Scenic Trail runs through the heart of Big Cypress, presenting excellent backpacking opportunities. Fire Prairie Trail is five miles round trip and is found off of the northern end of Turner River Road, providing superb views of several of South Florida’s natural habitats.
- Canoeing** Wander the waters of Big Cypress by bringing your own canoe or kayak, or renting them in nearby communities. The access for Turner River Canoe Trail is located along U.S. 41. Halfway Creek Canoe Trail offers a saltwater option with the ramp located off of U.S. 41 at the end of Seagrape Drive, three miles east of State Road 29. Typical canoe trips in the area will take a minimum of two to three hours.
- Biking** Within the Preserve, many of the gravel roads off of Tamiami Trail, and several of the off-road vehicle trails, provide opportunities for exploration by bicycle. The Bear Island Grade, accessible from State Road 29, is a popular route. While biking in the preserve please be aware of traffic. While on backcountry trails yield to hikers and Off Road Vehicles. For more details on bike riding speak to a ranger.
