## ATTACHMENT A CUA Insurance Requirements

### Commercial General Liability (CGL) Insurance

Liability insurance is required for all CUA holders under the terms of the authorization. Such insurance should be of sufficient scope to cover all potential risks and in an amount to cover claims that can reasonably be expected in the event of serious injury or death. The minimum commercial general liability insurance is \$500,000.00. Liability insurance policies must name the United States of America as additional insured. The business or person that is providing the service must be the named insured (policy holder). Companies that provide transportation only are not required to have Commercial General Liability as long as the passengers do not disembark.

### Other Required Insurance

**Commercial Auto Liability Insurance** is required if a CUA holder transports passengers or uses in the performance of the service in the park owned/leased/rented vehicles. If a CUA holder charters the vehicle and those chartered vehicles are owned and operated by another company, the CUA holder is not required to have Commercial Automobile Liability insurance. The minimum Commercial Auto Liability Insurance for *interstate* passenger transport is:

Commercial Vehicle Insurance – Passenger Transport (bodily injury and property damage)	Minimum per Occurrence Liability Limits*
15 or fewer passengers	\$1,500,000
16 or more passengers	\$5,000,000

The NPS has not established standard commercial automobile liability minimums for intrastate auto use by CUA holders because each state has unique rules and regulations. Intrastate CUA holders must meet individual state requirements for Commercial Automobile Liability Insurance or the interstate requirements above, whichever are greatest.

If the CUA applicant or holder will use rented or leased vehicles in performance of the authorized service, the applicant or holder must secure appropriate insurance for that rented or leased vehicle in the amount required by the CUA application. Proof of insurance secured directly from the rental or lease company may not be available upon application submission, but applicants are required to provide proof of insurance coverage after application submission upon NPS request.

CUA holders authorized to transport passengers aboard or use in the park an owned/rented/leased vessel are required to have **P&I Vessel Insurance**. The minimum P&I Vessel Insurance is \$500,000.00 per incident.

CUA holders authorized to transport passengers or use in the park an owned/rented/leased aircraft are required to obtain **Aircraft Liability Insurance**. The minimum Aircraft Liability Insurance is \$2,000,000.00 per occurrence.

CUA holders assigned the use of park property must secure **Property Insurance**. The minimum Property Insurance for use of any building interior is \$300,000.00.

### Insurance Company Minimum Standards

The NPS has established the following minimum insurance **company** requirements. All insurance companies must meet the following minimum standards. These standards apply to foreign insurance companies as well as domestic companies.

1. All insurers for all coverages must be rated no lower than A- by the most recent edition of Best's Key Rating Guide (Property-Casualty edition), or similar insurance rating companies (Moody's, Standard and Poor's, or Fitch), unless otherwise authorized by the Service.
2. All insurers for all coverages must have Best's Financial Size Category of at least VII according to the most recent edition of Best's Key Rating Guide (Property-Casualty edition), or similar insurance rating companies (Moody's, Standard and Poor's, or Fitch), unless otherwise authorized by the Service.
3. The insurance ratings must be submitted with the CUA Application. The rating companies do not issue certificates. We require the insurance broker to note this rating in the Certificate. If the rating does not appear on the certificate, the insurance broker must provide it in another document.

### Proof of Insurance Submission

Applicants must submit proof of insurance with the CUA Application. The proof of insurance must:

- Be written in English with monetary amounts reflected in USD.
- Reflect that insurance coverage is effective at time of CUA Application submission.
- Name as insured the business or person that is providing the service.

- Name the United States as additional insured.
- Reflect a General Commercial Liability Policy with the minimum coverage amount required in the CUA Application.
- Reflect required additional insurances (commercial vehicle, vessel, aircraft, etc.) with the minimum coverage amount required in the CUA Application.
- Include insurance provider rating or provide in separate document.

## ATTACHMENT C Fee Schedule and Payment Information

**Application Fee. Fee is \$50.** Fee covers cost of administration and clerical operations of the permits. This fee is charged to process all CUA requests with exception of Craft/Special Event permits which are \$25.00. The application will be kept on file for the calendar year. In the event of a second request for a one-time operation permit, the original application will be acceptable if no significant changes are made to the service provided and only the operation fee will be required.

**Business Operations. Fee is \$250 + Application Fee.** Fee covers safety, operational and environmental monitoring as required by permit. Permittee has a business that operates in the park for majority of the year or operational season and provides services for a variety of customers. Customer base is generally from advertising and other self-generated sources conducted outside the area. Examples of this operation would be horseback rides, boat trips, guided trips and other recreational activities.

**Service Operations. Fee is \$100 + Application Fee.** Fee covers safety, operational and environmental monitoring as required by permit. Permittee has a business that operates in the park in a limited capacity. Usually provides a service for special use permittees, groups, family or business gatherings, etc. Customer base is often obtained from national area group users. Operations are limited within the park to usually 5-15 times per year for groups utilizing special use permits, group campground sites, or pavilions. Examples of this operation would be food catering, porta-john rental, commercial EMS services and other service-oriented operations.

**One-Time Operations. Fee is \$50 + Application Fee.** Fee covers safety, operational and environmental monitoring as required by permit. Permittee has a business that operates in the park for a one-time event in limited capacity. Usually provides a service for special use permittees, groups, family or business gatherings, etc. Customer base is often obtained from national area group users. Operations are one-time events for groups utilizing special use permits, group campground sites, or pavilions. A one-time operation permit can be obtained for more than one event with a charge for each occurrence. Example of this operation would most likely be food catering.

**Late Fees. Fee varies.** To provide as much opportunity for conducting business in the park, Big South Fork will now accept applications for commercial use authorizations year-round. A late fee will apply after the open period for applications, which is January 1 through February 28.

Applications received during the following dates will incur a corresponding late fee\*:

- March 1 through June 30—\$100
- July 1 through September 30—\$200
- October 1 through December 31—\$300

*\*The above late fee is in addition to regular permit fees.*

# Commercial Use Authorization Information for Temporary Event Craft Vendors *UPDATED December 2023*

## **ELECTRIC**

There are no electric hook-ups for craft vendors.

## **PARKING**

1. All vehicles will be permitted to park in the event parking area. You may not park your vehicle next to your tent. You may temporarily park near your vendor location to load/unload items if the ground is not too wet.
2. Craft vendors may not leave any motorized vehicles on the vendor lot.

## **SET UP AND SITE MAINTENANCE**

1. Set up locations are assigned for each vendor upon arrival to event.
2. You are responsible for your own tent, tables, etc. Please do not expect a perfectly flat, dry area—this is a rural setting, complete with bugs, poison ivy, and sudden thunderstorms.
3. Set up time is from 7 am to 9 am ET on the day of the event, although vendors may set up the night before after 5 pm ET. Vendors may remain overnight on the day of the event but must be cleared out by 8 am on the day after the event. Be sure to follow all food storage regulations found online at <http://www.nps.gov/biso/planyourvisit/foodstorage.htm>.
4. Vendors are solely responsible for the security of all items in their site at all times.
5. Vendors should bring some form of protection from the sun, tie-downs and stakes for tents, plastic to cover displays in case of showers, and secure all property from wind. Festival will be held rain or shine. Be prepared. There is no rain date.
6. Signs/banners/tents shall be made of a flame-retardant material and proof of such fire-retardant rating shall be made available to the Park Official upon request.

## **TRASH**

Vendors are responsible to collect and properly bag trash within their sales location. All food scraps (fruit peels, nut shells, etc.) are considered trash and must be cleaned up hourly. We require that you use recycled and/or recyclable materials for your packaging, etc.

## **INSURANCE**

It is recommended that all crafters have their own insurance for displayed work, tools and/or equipment. The National Park Service assumes no liability for damage due to weather or other natural causes or theft.

## **CUSTOMER SERVICE**

1. All vendors must be open for business during the event hours. Most events start at 10:00 am (ET).
2. Each vendor should display an identifying sign.

## **REGULATIONS**

The park may review and approve all merchandise sold. They may exercise their discretion to determine that certain items may be inappropriate and unacceptable for sale.

The vendor may not sell or display the following:

- Articles that persons of normal taste or sensitivity might consider obscene, offensive, or profane and items that reflect a lack of concern for the environment or culture.
- Archeological specimens or objects of Native American origin over 100 years old, regardless of origin.
- Plant materials and other natural materials if obtained from units of the National Park System.
- Animal skins, taxidermy specimens, etc., containing parts from threatened or endangered species; such items must not be incorporated into merchandise or used in displays.
- Gift and souvenirs which are commonly found outside the Area that do not relate to identified BISO park themes.
- Toy guns.
- Items that may, by their nature, encourage violation of the National Park Service regulations, such as plants (including seeds), animals (including vertebrates and invertebrates), novelty items containing whole biological specimens (e.g., scorpions, butterflies, snakes, coral, etc.) or parts of biological specimens (teeth, claws, antlers, seashells, feathers, seeds, etc.).
- Non-native or invasive plants or plant pests.

There are several exceptions to this policy as it relates to biological items. The sale of the following retail items is **not** prohibited:

- Commercially sold items containing common non-living biological materials from legally authorized sources. Examples are items containing feather or down insulation and items made of cowhide leather or wood.
- Handicrafts and other retail items containing non-living biological materials, such as decorative feathers, seeds, nuts or flowers embedded or affixed to the item provided they are from legally authorized sources and are labeled as originating from outside the park.
- Food products from an authorized source such as meats produce and packaged items like sunflower seeds.
- Non-living fishing bait originating from an authorized source outside the park. The sale of live fishing bait is not permitted.
