Go Big in the Parks!**

GO BIG 2026 Lightning Challenge

Winter Season: January 1 - March 19

Critters in the Cold

- **1 Point each:** See how many wildlife species you can identify while exploring the parks. Wildlife includes any species of bird, invertebrate, fish, mammal, reptile, or amphibian. Give yourself one point for each species you correctly identify--whether by sight, sound, tracks, or other signs. Each species counts only once. Species: _____

_____:Total points

Bearly Awake

-  **3 Points:** During the winter months, black bears enter a state called torpor--a lighter form of hibernation that allows them to conserve energy without entering a deep, continuous sleep. What are two key differences between torpor in black bears and true hibernation seen in other animals?

Answer: _____

Winters Cosmic Chill

-  **10 points:** Winter nights are often clear and crisp, making it a great time for stargazing. Visit the parks on a clear winter night. What visible constellations are most prominent in the sky?

Answer: _____

Snow Safe and Sound

-  **3 points:** List three key items you should pack when hiking in icy or snowy conditions? Answer: _____

-  **2 Points:** List two ways you can stay warm and prevent hypothermia while camping in cold temperatures?
