Have fun this summer spending time outdoors doing exciting activities while getting to know your national parks! In the summer of 2013, a week-long summer day program will be offered at Black Canyon based out of the South Rim Visitor Center. All programs will be taught by rangers and teachers with extensive experience leading children in the outdoors. The schedule each day will run from **10 a.m. to 3 p.m.**, with a family picnic and awards ceremony held on Friday. Participation is limited to 20 children for each camp, and registration is on a first-come, first-served basis. Return this form early to ensure your child's spot! A \$25 per child registration fee covers supplies and materials for this week-long camp (do not send payment now, registration materials will follow). To apply, mail this completed form to:
