

Name: _____ Date: _____

A **KWL** is a great activity for student/teachers to show what they learn during the **Black Heritage Trail®**. **Before** the trip, fill out the first two columns. *What do you already know about the history of the African America Pre-Civil War community in Boston? What you want to know? Then complete the learned column after visiting the trail.*

Think about conditions, laws, leaders, jobs, economic & educational opportunities for African Americans in Boston.
