5. **No Right of Renewal:** No right of renewal attaches hereto. Upon expiration of this permit, the viability of this service inside the park shall be reviewed and the

Superintendent shall determine if authorization of this service shall continue under a Commercial Use Authorization (CUA). If a determination is made to continue the service under this type of authorization, CUA holder may then apply for a new permit.

6. **Accidents:** All accidents are to be reported to the nearest ranger station as soon as possible.
7. **Tour Leaders:** An employee of the CUA holder designated, as a tour leader, shall ride at the rear of the group to assist with bike adjustments and other touring concerns. That individual shall be certified in first-aid care. Tour leaders shall brief the participants of each ride on safety concerns relevant to each day's ride on the morning of that riding day. The information provided to participants shall include a review of safety recommendations printed in the park publications; "Bryce Canyon, Official Map and Guide" and the "Hoodoo". These current publications are available upon arrival at the park. Tour leaders shall be well acquainted with park regulations, and support compliance with said regulations. Tour Leaders shall have a copy of the Commercial Use Authorization with them at all time while in the Park.
8. **Support Vehicle:** A support vehicle shall accompany each tour and be accessible to the needs of the bicycle riders.
9. **First-Aid Supplies:** Adequately sized first-aid kits shall be carried both by the bicycle riding tour leader at the rear of the tour group, and in the support vehicle.
10. **Safety Leaflet:** CUA holder shall make available to all participants of tours a general safety leaflet addressing all aspects of bicycle safety. A copy of this leaflet shall be provided to the Superintendent prior to the start of the operating season.
11. **Search and Rescue Expenses:** The CUA holder shall pay the cost for search and rescue efforts the park conducts on their behalf beyond everyday budgeting park expenses.
12. **Safety Equipment:** The CUA holder shall make helmets available to each of its riders free of cost.
13. **Spacing of Bicycle Riders:** The CUA holder shall regulate participant riders on its bicycle tours so that the entire group is broken into groups of no more than four riders per group, single file, each group spaced apart by approximately one-half mile. When stopping to converse, take pictures or make repairs, participants will pull completely off the roadway and will not bunch up or block traffic in any way.
14. **Yielding for Trailing Motor Vehicles:** *Should more than three motor vehicles be following a bicycle rider or group of riders, the individual rider or group shall safely pull to the side and allow the motor vehicles to pass.*
15. **Camping:** Camping is on a reservation program. Camping is permitted only within designated sites, as indicated by appropriate signs. Campfires are restricted to established campfire grates, or personally provided grills.
16. **Entrance Fees:** Entrance fees shall be paid on an individual basis or for the entire group by the first individual to reach an entrance station, in accordance with park policy. **All**

trip participants/riders must stop at the entrance station and identify your company. They are not allowed to go through the shuttle/emergency lane. Checks must have the company's TIN number on it or SSN on personal checks.

17. **Trip Itineraries:** Prior to the scheduled tour season, the CUA holder shall provide the Superintendent with trip itineraries and all required information on the itineraries. (See Attachment C form to be used.)
18. **Monitoring:** The Superintendent shall have the right to monitor CUA holder's tours for compliance with all aspects of this permit. Tour leaders shall carry a copy of the approved CUA and present it to any park official upon request. Monitoring costs are charged as part of the total fee. These costs start when the CUA holder arrives in the area to perform the permitted use and ends when the permitted use is over and the CUA holder leaves the area. This includes all costs for personnel and material, as well as all follow up needed in returning the area to its original condition, e.g. a Park Ranger would cost an estimated \$50 per hour for monitoring. Monitoring costs may vary depending on park staff involved.
19. **Soil Erosion:** The CUA holder shall take adequate measures, as directed and approved by the Superintendent, to restrict and prevent soil erosion on the lands covered hereby and shall so utilize such lands as not to contribute to erosion on adjoining lands.
20. **Vegetation:** Activities must be confined to established walkways to prevent trampling of vegetation.
21. **Wildlife:** Respect the space needed by all wildlife species. Conduct all activities such that any individual animal does not become habituated (DO NOT FEED THE WILDLIFE, this disrupts natural processes the NPS is trying to preserve). Use binoculars and view animals from a distance that does not result in avoidance or flight behavior.
