Program

The Youth Conservation Corps (YCC) is a well-balanced work-learn-earn program that develop an understanding and appreciation in participating youth of the Nation’s environment and heritage. It is locally administered by the U.S. Department of the Interior-National Park Service. YCC offers gainful summer employment to youth for approximately eight weeks, in a healthy outdoor atmosphere.

Projects include building and maintaining trails and fences, cleaning up campgrounds and buildings, painting of facilities, and routine maintenance. Participants will do hard physical work and may be exposed to insects, poison oak and ivy, adverse weather and difficult working conditions.

Eligibility Requirements

Young men and women, 15 through 18 years of age, who are permanent residents of the United States, its territories, or possessions, are eligible for employment without regard to social, economic, racial, or ethnic backgrounds. Handicapped youth who can effectively participate in most YCC activities are eligible. Youth must have no history of serious criminal or other antisocial behavior that might endanger their safety or that of others; have or be able to obtain a work permit if required under the laws of their State; have a Social Security number prior to being employed; be willing and able to work hard and participate in work projects. Employment is without regard to Civil Service or classification laws, rules, or regulations.

How To Apply

Youth meeting these requirements should complete the YCC application and turn in to Buffalo National River Headquarters by the close of business **May 2, 2014**. Mailed applications will be accepted, please be sure and sign all signature lines. Again applications are available online at www.nps.gov/buff.
