Please answer the following questions regarding your experience in farming and your ability to carry out the responsibilities of an Agriculture Special Use Permit (SUP). You may attach additional pages in your response. Your responses will be ranked with a point value system.

1. Operational Experience (0-5 points)

a) Describe how your agricultural experience will help you effectively carry out the requirements of an Agriculture Special Use Permit. Please include the number of years of experience in hay field operations and where you have worked hay fields.

2. Special Use Permit History (0-5 points)

a) Have you ever held an Agricultural Special Use Permit with the National Park Service? If so, please provide the dates and locations.

b) If you have previously held an Agricultural SUP, was it terminated by the NPS or were you unable to perform the requirements? If so, please describe the circumstances that lead to a termination and/or explain why you were unable to perform the requirements of the permit.

3. Solicitation Application (0-4 points)

a) Please write in your bid ONLY for parcels you wish to bid on. All bids will be considered
