

_____’S
NATURE JOURNAL

Date: _____

Name of plant/animal:

Location:

Drawing:

Notes:

Date: October 25, 2018

Name of plant/animal:

California Two-Spot Octopus

Location:

Cabrillo National Monument, San Diego

Drawing:

Notes:

Here is where you will write about the plant or animal you observed. Where did you find it? What color is it? Was it doing anything when you found it? Were any other plant or animals around?
