## ENVIRONMENTAL COMMITMENT STATEMENT

Cape Cod National Seashore preserves nationally significant beaches, ponds, marshes, bays, heathlands, inlets, and dunes, along with historic landscapes and other natural and cultural features on Outer Cape Cod. As the steward of these diverse and special resources, our goal is to become a leader in protecting the coastal environment. Therefore, Cape Cod National Seashore will:

Therefore, Cape Cod National Seashore will:

- Comply with all applicable Federal, State, and local environmental laws, regulations, Executive Orders, and Department of the Interior environmental policies;
- Integrate and implement environmentally sensitive Best Management Practices including pollution prevention into all of our operations;
- Consider the environmental impacts in planning, purchasing and operating decisions;
- Provide environmental training and educate our staff on how to comply with environmental laws and be environmentally responsible on and off the job;
- Assign clear responsibility to our staff for environmental activities and hold them accountable for their environmental performance, recognizing superior effort when it is demonstrated;
- Seek opportunities to promote environmental compliance and stewardship to the visitors and neighboring communities we serve;
- Monitor our environmental compliance performance regularly at both operational and organizational levels and seek and implement opportunities for environmental improvement in how we do business.
