Canaveral National Seashore Crew 2015

Conservation Crew Program June 15 – July 24, 2015

Tell us about yourself (attach additional pages if needed):

Please describe your home life, your interests, how you spend your free time, your goals.

What experiences have you had working or playing in the outdoors?

Participating on an SCA Conservation Crew is physically demanding and includes working outdoors for the duration of the program. You will be working on a conservation service project for approximately 8 hours each day. Potential Duties include: shoveling, raking, digging, sawing, pruning, hammering and many other physical tasks. Do you enjoy physical activities? Give some examples of physically demanding activities you have participated in and how you will prepare for the program.

What kind of community service or volunteer work have you done in the past? Why?

Describe a time when you have dealt with a difficult situation.

Why do you want to be a participant on an SCA Conservation Crew? How might it help you in the future?

What do you consider to be your greatest strengths?

How did you hear about SCA? _____
