National Park Service News Release

Release Date: April 14, 2015

Contacts: **Laura Henning**
383-428-3384

Canaveral National Seashore has begun routine construction to rehabilitate two key public access points in both districts of the seashore. Beginning April 18, 2015, the west end of the Eddy Creek parking area, in the Playalinda district will be closed to accommodate the construction contract. The east end of Eddy Creek parking areas will remain open during this project and available for continued public enjoyment.

Construction is also set to continue on the boardwalk of parking area #5 in the Apollo district of the seashore. This last phase of replacement is expected to last 10 to 12 weeks. Parking area #5 of the Apollo district will be closed beginning April 20, 2015 and remain closed until construction is complete.

This is a project is funded using your recreational fee dollars.

About the National Park Service. More than 20,000 National Park Service employees care for America's 401 national parks and work with communities across the nation to help preserve local history and create close-to-home recreational opportunities. Learn more at www.nps.gov.
