Natural island campsites and spoil island sites provide a variety of access and capacity options to those visitors who have their own boat, canoe, or kayak. Please see the attached map for location and site numbers/names. **RESERVATIONS** and a permit **ARE REQUIRED** for island campsites. Canoe rentals are available for sites one through five. These are reserved by calling the Visitor Center (386) 428-3384 ext. 0, after you have made your camping reservation. Sites 6-14 may only be reached with a personal boat, canoe or kayak.

HAVE FUN - SAFELY

Plan your trip in advance, with special attention to travel routes and weather forecasts. Be sure that your vessel is fueled and equipped for emergencies, and that all passengers are issued appropriate personal flotation devices. Always share your intended agenda with a friend or family member other than those in your party. Do not leave valuables in your vehicle.

We recommend having a cellular telephone at your disposal while camping in the park. Emergencies should be reported by dialing 911.

Firewood is not available at campsites: please provide your own firewood or cook stove. Please be aware of special restrictions concerning open fires. Ask a Park Ranger about current fire danger conditions. Thank you!
