Bag Your Pet's Waste

Keep the park clean by picking up after your pet. Dispose of waste in appropriate trash bins.

Always Leash Your Pet

Pets **MUST** be on a leash no longer than 6 ft.

Respect Wildlife

For wildlife, dogs are predators! Keep your dogs away from wild animals. Pet food and waste also has negative impacts on wildlife behavior, so make sure you clean up!

Know Where You Can Go

Before your visit, do research to find out what trails are pet-friendly.

Where can I go as a Furry Friend?
