Closure of Sanders Picnic Area Comfort Station on Lookout Mountain Battlefield

Lookout Mountain, TN: Chickamauga and Chattanooga National Military Park will be closing the Sanders Road picnic area restrooms on Monday, July 30, 2012. This closure will be in effect for the remainder of the summer and fall seasons. Access to and use of the picnic area will not be affected during this restroom closure.

Following the completion of a condition assessment on the main waterline that services the restrooms, it was determined that the best course of action is to shut off the water. The aged waterline is beyond emergency repair and long term option need to be assessed.

Chickamauga and Chattanooga National Military Park will provide a handicap accessible, portable restroom for visitors until December 1, 2012.
