Chickamauga and Chattanooga National Military Park

NEWS RELEASE

August 31, 2011

FOR IMMEDIATE RELEASE:

Wilder Tower, Sherman and De Long Reservations Now Open at Chickamauga and Chattanooga National Military Park

The Wilder Brigade Monument (Wilder Tower) on the Chickamauga Battlefield has been reopened to the public. The installation of new interior handrails and safety railings at the top of the tower was completed a few days ahead of schedule.

The Sherman and De Long Reservations along Missionary Ridge, which had been closed due to storm damage in late April, are also now open.

“While there is still some mostly cosmetic clean-up work to do on the Chickamauga Battlefield, we are very pleased to announce that all trails and facilities in the park that were damaged in the spring storms are once again open,” said Superintendent Cathleen Cook.

For more information contact Facility Manager Don Stephenson at 423-752-5213x125.
