

Public Notice

Santa Barbara Island Trail Closures

Pursuant to the Authority of the Superintendent under the Code of Federal Regulations Title 36 section 1.5 (a)(1)&(2) and section 2.1(a)(2) certain Santa Barbara Island trails (see map on back) are closed to all public entry.

Pursuant to CFR title 36 1.5 (c) - Determination - these temporary closure actions are necessitated for the protection of a breeding population of California brown pelicans and western gulls, under the Migratory Bird Treaty Act. Less restrictive access to the closed areas during this time period would have the potential for adverse effect on breeding population of California brown pelicans and western gulls.

A handwritten signature in black ink, appearing to read "Russell E. Galipeau, Jr.", written over a horizontal line.
