### Other Points of Interest . . .

1. Stop at the Visitor Center in Almo for maps, info, 8-minute video, books, gifts, and passport stamp. Camping & hiking guides available.
2. Circle Creek Overlook – unique view of the Circle Creek Basin, California Trail, and panorama of rock formations.
3. Window Arch – take in views into the “Inner City” a short (300 ft) trail behind campsite 37.
4. Bath Rock – walk around to the west side and if you dare, scramble up the west face on the Boy Scout route to see the bath tub. Watch experienced climbers on popular routes.
5. Creekside Towers Hike - a short 30 minute hike to a shady retreat near granite towers.
6. Taste refreshing City of Rocks water at the Emery Canyon well pump (near Bread Loaves.)
7. Visit Castle Rocks State Park for a picnic in the orchard near Almo Creek. The ranch house serves as a visitor center during the summer season.
8. Drive through historic Almo to see homesteaders log cabins, turn-of-the-century brick homes and the oldest, continuously operated general store in Idaho.
