

LESSON PLAN

Aligned Legacies

PRESIDENT WILLIAM JEFFERSON CLINTON BIRTHPLACE HOME NATIONAL HISTORIC SITE (/WICL/INDEX.HTM)

Essential Question

How does the legacy of a President impact how they are remembered?

Objective

Analyze and identify the provided images of past US Presidents. Briefly discuss the significant events of each and/ or how they are remembered. From left to right, organize them in chronological order.

Preparation

The Birthplace Home is staged with talking points but can only accommodate groups of 12 or less at one time. If a school needs to bring a bus load (44+) of students, then the teaching and park staff will have to work together to formulate exercises and activities to engage the students while they wait for the tour and reinforce the information provided during the visit to the home.

Since this activity is based on the American Presidency, this can be used as a pre or post tour tool.
