WHO DO YOU THINK USED OR MADE
THIS OBJECT?

What do you notice? (Materials, size, shape, color, condition, moving parts, anything written on it)

As best as you can:

What do you think it was used for? Why do you think so?

What does it tell you about technology at the time it was made?

What does it make you wonder about the person who made or used it?

What other evidence can you find to help you understand what this object was used for and why a person had it?

What does it remind you of? What is a similar item from today?
