

Compass Harbor Scavenger Hunt

**Explore Compass Harbor in Acadia National Park on Mount Desert Island. Complete at least 3 activities in a row, column, or diagonal.
If you need more room to draw, use the back of this paper. Send your completed scavenger hunt to: acad_education_office@nps.gov**

Find the foundation of the Dorr mansion. How many feet long do you think the house was?	Take a picture of or draw Compass Harbor. What is a harbor?	George Dorr loved to swim in the water—even in the winter! Would you go swimming here in the winter? Why or why not?
Can you find evidence that a person lived at Compass Harbor? What did you find?	George Dorr loved Mount Desert Island and donated this land to Acadia National Park when he died. Where is one special place you hope is protected forever?	Look at the trees around Compass Harbor. What is one thing you notice about them?
Find a wayside panel with a picture of George Dorr. Take a picture next to it acting like him.	What evidence of wildlife do you see? What animals might live here?	Find a quiet spot and sit or stand for 30 seconds. Write 4 things you see, 3 things you feel, and 2 things you hear. See: Feel: Hear:
